## Get Organized and Plan for Success

## Organization Tips

Develop routines - Have a morning routine that gets your day off to a good start, and a nighttime routine that includes getting everything ready for the next day.

Eliminate clutter - put away or get rid of anything you don't need.
create daily to-do lists - If you have a lot to do, prioritize the items to ensure the most important ones get done. Focus on one task at a time, and at the end of each day, put any unfinished tasks on the next day's to-do list.

Set Goals Goals give you focus, direction, and purpose.
"An hour of planning can save you 10 hours of doing." Dale Carnegie
