

Career Clusters

Agriculture, Food & Natural Resources

- ▶ Do you enjoy being outside?
- ▶ Do you like caring for animals?
- ▶ Are you concerned about the environment?

A career in Agriculture, Food and Natural Resources gives you the opportunity to work with plants, animals, food, fabric, wood, and/or crops. Workers in this career cluster also help find ways to improve the environment. They work in parks, greenhouses, dairies, laboratories, and on farms and ranches.

Consider this Career Cluster if...

- ▶ you are interested in science.
- ▶ you enjoy working with plants or animals.
- ▶ you want to improve the environment.
- ▶ you like outdoor activities.

Career Clusters

Architecture & Construction

- ▶ Do you like working with your hands?
- ▶ Do you enjoy making plans and drawings?
- ▶ Do you like figuring out how things work?

A career in Architecture and Construction gives you the opportunity to design, build, and maintain structures (e.g., houses, buildings, highways, bridges). This Career Cluster includes architects, engineers, and those who work in the skilled trades (e.g., carpentry, masonry, plumbing).

Consider this Career Cluster if...

- ▶ you enjoy working with tools
- ▶ you prefer physical activity
- ▶ you like building things
- ▶ you enjoy math

Career Clusters

Arts, A/V Technology & Communications

- ▶ Are you artistic or creative?
- ▶ Do you like working with technology?
- ▶ Do you have good communication skills?

A career in Arts, Audio/Video Technology, and Communications gives you the opportunity to create visual art, performance art, or original writing. Workers in this Career Cluster also manage and maintain complex computer software and equipment. Workers often work at a film studio, television studio, or design firm.

Consider this Career Cluster if...

- ▶ you enjoy being in front of an audience
- ▶ you have artistic or musical talent
- ▶ you like gaming and using technology
- ▶ you want to create or perform

Career Clusters

Business, Management & Administration

- ▶ Do you enjoy working as part of a team?
- ▶ Are you a leader?
- ▶ Are you interested in starting your own business?

A career in Business, Management and Administration gives you the opportunity to organize, plan, and manage business operations. Workers in this Career Cluster often work with computers, information, data, and numbers. They may train and/or manage employees, or own their own business.

Consider this Career Cluster if...

- ▶ you have strong organizational skills
- ▶ you are good with numbers and computers
- ▶ you enjoy working with people
- ▶ you like to plan things

Career Clusters

Education & Training

- ▶ Do you enjoy helping others?
- ▶ Do you like showing others how to do something?
- ▶ Do you enjoy public speaking?

A career in Education and Training gives you the opportunity to teach, guide, and train people of all ages. Workers in this Career Cluster may work in a classroom, school counseling office, library, or administrative office. They may also work in businesses and corporations training employees.

Consider this Career Cluster if...

- ▶ you are patient, friendly, and outgoing
- ▶ you like working with children or teenagers
- ▶ you have good public speaking skills
- ▶ you are good at explaining things

Career Clusters

Finance

- ▶ Do you like working with numbers?
- ▶ Are you good with money?
- ▶ Are you interested in business?

A career in Finance gives you the opportunity to manage money, and to also help others manage their money. Workers in this Career Cluster might keep track of an organization's money, maintain financial records, or give financial advice to others. They often work in corporations, banks, and insurance companies.

Consider this Career Cluster if...

- ▶ you have strong math skills
- ▶ you are organized and detail-oriented
- ▶ you have an interest in the stock market
- ▶ you are interested in financial matters

Career Clusters

Government & Public Administration

- ▶ Are you interested in politics?
- ▶ Do you keep up on current events?
- ▶ Do you like to discuss and debate ideas?

A career in Government and Public Administration gives you the opportunity to plan and provide government services at the local, state, and federal levels. Workers in this Career Cluster often hold public office or fulfill administrative duties in government offices (e.g., processing marriage licenses or construction proposals).

Consider this Career Cluster if...

- ▶ you have leadership skills
- ▶ you have strong communication skills
- ▶ you are interested helping others
- ▶ you enjoy working with information

Career Clusters

Health Science

- ▶ Would you like to help others?
- ▶ Are you interested in learning about the human body?
- ▶ Do you want to work in the medical field?

A career in Health Science gives you the opportunity to diagnose, treat, and manage health issues for patients of every age. Workers in this Career Cluster can be found in hospitals, doctors' offices, nursing homes, schools, and sport's teams—anywhere healthcare services are needed.

Consider this Career Cluster if...

- ▶ you are good at math and science
- ▶ you'd like to work in a medical setting
- ▶ you aren't squeamish about blood
- ▶ you are patient and good with details

Career Clusters

Hospitality & Tourism

- ▶ Do you enjoy entertaining and cooking?
- ▶ Would you like to travel?
- ▶ Do you enjoy meeting new people?

A career in Hospitality and Tourism gives you the opportunity to entertain and serve guests—and help people enjoy their leisure time. Common employment locations for workers in this Career Cluster include restaurants, bakeries, bars, casinos, cruise ships, spas, resorts, theme parks, hotels, museums, and sports arenas.

Consider this Career Cluster if...

- ▶ you are patient, friendly, and outgoing
- ▶ you would like to work with food or drinks
- ▶ you like working with people
- ▶ you would like to travel

Career Clusters

Human Services

- ▶ Are you a "people person?"
- ▶ Are you a good listener?
- ▶ Do you want to help people improve their lives?

A career in Human Services gives you the opportunity to help people of all ages meet their physical, mental, and emotional needs. Workers in this Career Cluster often work in hospitals, government offices, nursing homes, and schools. They may also provide specialized services, such as credit counseling or home care.

Consider this Career Cluster if...

- ▶ you are patient, friendly, and kind
- ▶ you want to help others
- ▶ you have strong listening skills
- ▶ you want to make a difference

Career Clusters

Information Technology

- ▶ Do you like to work with computers?
- ▶ Are you good at solving puzzles?
- ▶ Do you love learning about new technologies?

A career in information technology gives you the opportunity to use your technical skills to help organizations and businesses achieve their goals. Workers in this career cluster work with hardware, software, network systems, and multimedia in a variety of settings (including corporations, schools, and government offices).

Consider this career cluster if...

- ▶ you are good at math.
- ▶ you want to work with computers.
- ▶ you have good problem-solving skills.
- ▶ you like keeping up with new technology.

Career Clusters

Law, Public Safety, Corrections & Security

- ▶ Do you want to help keep others safe?
- ▶ Are you interested in the law?
- ▶ Do you enjoy a challenge?

A career in Law, Public Safety, Corrections and Security gives you the opportunity to protect people and enforce the law. Workers in this Career Cluster include police officers, security guards, detectives, and firefighters. In addition to police stations and firehouses, workers often have jobs in law practices, prisons, and courthouses.

Consider this Career Cluster if...

- ▶ you want to help and protect others
- ▶ you believe rules and laws are important
- ▶ you have good people skills
- ▶ you are brave, patient, and compassionate

Career Clusters

Manufacturing

- ▶ Do you like working with tools?
- ▶ Do you enjoy figuring out how things work?
- ▶ Do you want to work with your hands?

A career in Manufacturing gives you the opportunity to help turn raw materials into finished products (e.g., airplanes, cars, electronics, appliances). Manufacturing workers also repair machines and diagnose problems with plumbing, automobiles, and more.

Consider this Career Cluster if...

- ▶ you have strong math skills
- ▶ you are good with details
- ▶ you have good problem solving skills
- ▶ you enjoy working with technology

Career Clusters

Marketing, Sales, & Service

- ▶ Do you enjoy public speaking?
- ▶ Do you like talking to and working with people?
- ▶ Are you good at being persuasive?

A career in Marketing, Sales, and Service gives you the opportunity to sell products and services directly to customers, or to help companies develop persuasive marketing plans. Workers in this Career Cluster help businesses, companies, and organizations connect with customers and achieve their sales and marketing goals.

Consider this Career Cluster if...

- ▶ you are friendly and outgoing
- ▶ you have strong communication skills
- ▶ you enjoy working with people
- ▶ you are creative and good with details

Career Clusters

Science, Technology, Engineering & Math

- ▶ Do you like figuring out how things work?
- ▶ Do you enjoy solving puzzles?
- ▶ Do you like math and science?

A career in Science, Technology, Engineering, and Math gives you the opportunity to solve complex problems to improve society. Workers in this Career Cluster work in labs, corporations, and in the field to study diseases, do scientific research, develop new technologies, oversee construction projects, and more.

Consider this Career Cluster if...

- ▶ you excel in advanced math and science
- ▶ you have good problem solving skills
- ▶ you are good with details
- ▶ you enjoy working with computers

Career Clusters

Transportation, Distribution & Logistics

- ▶ Do you like working on vehicles?
- ▶ Are you good at solving problems and puzzles?
- ▶ Would you like to travel?

A career in Transportation, Distribution and Logistics gives you the opportunity to plan and manage the movement of people, materials, and goods by road, air, water, and pipeline. Workers in this Career Cluster often maintain vehicles or work in distribution or logistical centers to organize the transporting of people and products.

Consider this Career Cluster if...

- ▶ you are detail oriented
- ▶ you are good with tools
- ▶ you are organized
- ▶ you are good at fixing things
