Dog Accessories

We noticed a lack of high-quality leather collars and leashes on the market. We wanted to create a product that was not only stylish but durable and long-lasting.

We believe that our dogs deserve the best, and that's why we use only the finest quality leather to make our collars and leashes. Our leather is soft yet strong, and it ages beautifully over time. We also pay close attention to every detail of our products, from the stitching to the hardware, to ensure that they are not only functional but also beautiful.
