

4XEM TAA Compliant Universal Laptop Anchor for Laptop Locks

4XEM Part- 4XANCHORTAA

Introducing the 4XEM TAA Compliant Universal Laptop Anchor, your ultimate solution for securing your valuable laptop with confidence. Engineered with precision and designed to meet TAA compliance standards, this anchor serves as a steadfast safeguard for your device. Compatible with all laptop locks, its versatility ensures seamless integration with your existing security setup.

Crafted from durable zinc alloy in a sleek silver finish, this anchor not only provides robust protection but also complements the aesthetic of your laptop. Weighing just 1.69 ounces, it adds minimal bulk while delivering maximum security. Each package includes a base plate anchor, along with two screws, an abrasive pad, and an alcohol swipe for effortless installation.

Trust in the reliability and performance of the 4XEM TAA Compliant Universal Laptop Anchor. Made in Taiwan, it embodies quality craftsmanship and assurance, making it the ideal choice for safeguarding your laptop wherever you go.
