4XEM 3FT Cat6 Molded RJ45 UTP Network Patch Cable (Gray) - 3 Pack

4XEM Part- 4XC6PATCH3GR3PK

Elevate your network connectivity with 3 4XEM 3FT Cat6 Molded RJ45 UTP Network Patch Cables, true game-changers in the world of data transmission.

Designed for CAT6, these cables boast a 250 MHz cable rating, making them ideal for high-speed data transfers, whether it's for work, gaming, or streaming. Their RJ-45 Male connectors with EIA/TIA 568B Pinout on both ends ensure a secure and stable connection every time.

Crafted with a PVC jacket, these cables are built to withstand everyday wear and tear, while the 26 AWG Copper-Clad Aluminum conductor offers optimal signal conductivity. With a slim 0.20-inch cable OD, these cables are both flexible and space-saving, making it perfect for tight setups.

The 3-foot length provides just the right amount of reach for your networking needs, and the lightweight design ensures portability and easy installation. 3 of these cables packaged together offer the opportunity to accomplish more in one purchase.
