

4XEM In Car Mobile Device Charging Kit – Dual USB Adapter and 3FT USB-C to USB-C Cable

4XEM Part- 4XCARCHARGEKITB

Introducing the 4XEM In Car Mobile Device Charging Kit – the ultimate solution for keeping your mobile devices powered up on the go including the new iPhone 15, 15 Plus, 15 Pro and 15 Pro Max With a sleek black design, this kit includes a Dual USB Adapter and a 3FT USB-C to USB-C Cable, providing you with efficient and reliable charging options for your devices.

Equipped with industry-standard USB-PD 3.0 and USB 3.2 Gen 2, this charging kit ensures fast and stable charging speeds, with a data rate of 10Gbps. The USB Type-C Female and USB Type-A Female ports allow you to charge multiple devices simultaneously, making it perfect for long road trips or daily commutes. Its power budget of 20W and Power Delivery capability of 20W Max ensures efficient charging performance.

The included 3FT USB-C to USB-C Cable boasts a bidirectional charging cable direction and a passive operating mode. With a length of 3 feet, it offers flexibility and convenience for connecting your devices. The cable supports E-Marker technology, providing a power output of 100W, along with video support. Its black color complements the charger's design perfectly.
