

4XEM CAT 6 1000FT (305m) Outdoor Bulk Cable - with Gel

4XEM Part- 4XCAT6OUTDOOR

Introducing 4XEM's 1000ft CAT6 Pure Copper Outdoor Bulk Cable – with Gel, the ultimate solution for robust and reliable network installations. Engineered with cutting-edge technology, this high-performance cable is designed to exceed industry standards, ensuring seamless connectivity for your outdoor networking needs. The pure copper construction guarantees superior signal integrity and data transmission, while the durable outer jacket provides maximum protection against harsh environmental conditions.

The cable's gel-filled design, adds an extra layer of protection against moisture and extreme weather conditions. This makes it ideal for outdoor installations, ensuring that your network remains secure and reliable even in challenging environments. The 1000ft length allows for versatile and flexible installations, making it a cost-effective solution for various projects.
