

4XEM DisplayPort 3 ft Extension Cable

4XEM Part- 4XDPEXT3

4XEM's DisplayPort extension cables are perfect to extend the reach of your DisplayPort supported device set-ups. Capable of transmitting high-definition audio and video, this cable is suited to improve any streaming or gaming set-up. It is also able to extend your desktop or mirror your displays. Do not worry about dropping your connection either, 4XEM's DisplayPort cable comes equipped with latches and a release button on the connectors to ensure a secure connection between devices.

**Problem it solves:** Make what was out of reach within your reach with 4XEM's DisplayPort Extension cable.
