4XEM's 45W GAN Charger USB-C + USB-A

Part- 4XGAN00645WW

Introducing the White 45W GAN Charger with 1 USB-C Port and 1 USB-A Port - the ultimate power solution for all your devices including the new iPhone 15, and 15 Plus as well as the advanced iPhone 15 Pro and Pro Max. This sleek and compact charger is designed to deliver fast and efficient charging for your USB-C and USB-A devices, with Power Delivery technology that guarantees optimal charging speed and efficiency.
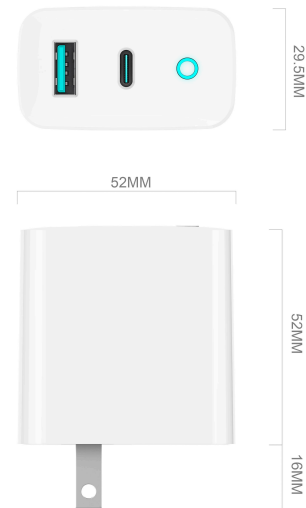

The charger features one USB-C port and one USB-A port, allowing you to charge multiple devices simultaneously. The USB-C port is equipped with Power Delivery technology, which means you can charge your USB-C devices with up to 45W of power, providing optimal charging speed and efficiency. The USB-A port is also capable of fast charging your USB-A devices.

The white color design and compact size make it easy to take with you on the go, and it's perfect for traveling, working remotely, or just keeping in your bag for everyday use.

Features

- 45W total power output for fast and efficient charging of multiple devices
- 1 USB-C port and 1 USB-A port, providing flexibility to charge a variety of devices.
- USB-C port feature Power Delivery technology for lightning-fast charging of devices that support it.
- Sleek white design with an integrated LED indicator for easy monitoring of charging status
- Compact and portable design makes it easy to take with you on-the-go.
- Overcurrent, overvoltage, and short circuit protection for added safety and peace of mind.
