

4XEM 150M/500Ft HDMI Extender Over Double Cat-5e/Cat-6 RJ45

4XEM Part- 4XHDMIEXT150M

Experience the ultimate in HDMI extension with the 4XEM HDMI Extender. Designed to push boundaries and break limitations, this advanced device allows you to effortlessly extend your HDMI signals up to an impressive 492 feet (150 meters) over a single CAT-5E/CAT-6 RJ45 cable. Now you can connect your devices across large spaces with ease, making it ideal for home theaters, conference rooms, classrooms, and any setup that demands versatility.

Upgrade your HDMI extension capabilities and embrace the power of the 4XEM 492FT/150M HDMI Extender Over Single CAT-5E/CAT-6 RJ45. Order now and unlock a whole new world of connectivity!

Please note: An external power supply is required as HDMI voltage alone is insufficient for proper operation. Rest assured, the 4XEM HDMI Extender comes with everything you need to ensure seamless functionality and exceptional performance.

- AC Adapter Power source needed for both Transmitter and Receiver (included)

What is HDMI?

Applications:

- Home Connections
- Office
- Splitter

HDMI is capable of transmitting standard, enhanced, and high-definition video signals, as well as up to 8-channels of digital audio signals.

High Definition Multimedia Interface, HDMI is a connector and cable capable of transmitting high-quality and high-bandwidth streams of audio and video between devices. The HDMI technology is used with devices such as an HDTV, Projector, DVD player, or Blu-ray player.
