4XEM 10-in-1 USB 3.0 Charging Hub

4XEM Part- 4XHS070M1

The 4XEM 10-in-1 Charge Only USB 3.0 Hub is your ideal solution for efficient and reliable charging. Designed to meet DC and PD industry standards, this USB-A charging-only hub features the advanced M5200CX2901A chipset, providing PD 5V/2.4A downstream charging for fast and dependable power distribution. Supporting Apple fast charging, this hub is compatible with any operating system, allowing seamless integration into any workspace or setup.

With ten USB 3.0 Type-A ports, each providing 5V/2.4A (12W) power, you can charge multiple devices simultaneously, making it perfect for offices, classrooms, and tech-savvy users with multiple devices. Built from durable aluminum and ABS, the hub has a sleek gray finish, an ON/OFF key switch for power control, for flexible connectivity. Compact and lightweight, making it easy to position and carry.

With a one-year warranty, this versatile and durable USB 3.0 charging hub is an essential charging solution for busy workspaces.

Features

- 10x USB 3.0 Charging Ports – No data transfer
- Simultaneously charge up to 10 devices at 5V/2.4A (12W) per port.
- Supports Apple fast charging for quick power-ups.
- OS Independent compatible across Windows, macOS, and Linux systems.
- Durable Build
- Separate ON/OFF key switch for easy power management.
- Compact & Lightweight
- 1-Year Warranty

Application

- **Boost Productivity in Office Environments:** Charge up to 10 devices simultaneously, keeping smartphones, tablets, and other essentials powered up and ready to go. Ideal for shared office spaces, conference rooms, and hot desks, where multiple users need a quick, reliable power source.
- **Perfect for Classrooms and Educational Settings:** This hub simplifies charging for student devices like tablets and Chromebooks, making it easy for teachers to manage multiple devices in K-12 and higher education environments. The independent ON/OFF switch allows teachers to control power efficiently between class periods.
- **Enhance Public Workspaces and Waiting Areas:** In cafes, libraries, and lobbies, the 10-in-1 hub offers patrons a convenient place to charge devices, improving customer experience. The durable aluminum and ABS construction ensures long-lasting performance in high-traffic areas.
