4XEM 10 pack Cat5e RJ45 Keystone Jack UTP 110-Type (White)

4XEM Part- 4XKJC5EWH10PK

Experience seamless networking with the 4XEM 10 Pack Cat5e RJ45 Keystone Jack UTP 110-Type. This high-performance networking solution guarantees a lifetime of reliable connections, ensuring your network operates at its peak.

Featuring RJ-45 connectors and an 8 Conductor 110-Style Punch Block, this keystone jack is designed to effortlessly handle your networking needs. Its Category 5E cable specification ensures exceptional data transmission and superior signal integrity for both residential and commercial applications.

To ensure a hassle-free setup, we've included 10x C5E Keystone jacks in each package. So whether you're expanding your network or starting a new installation project, you'll have all the essential components at your fingertips.
