

4XEM Kensington Standard Slot Adapter Kit

4XEM Part- 4XKSADAPTERTAA

Introducing the 4XEM Kensington Standard Slot Adapter Kit, your ultimate solution for safeguarding your valuable devices. Designed with precision and durability in mind, this adapter kit ensures unmatched security for your electronic assets. This kit offers the ability to add the security of a Kensington security slot to any device that may not offer one as a standard.

Boasting a sleek silver finish and crafted from high-quality steel, it seamlessly blends into any professional environment while providing robust protection. Weighing only 0.91 ounces [26 grams], it adds minimal bulk without compromising on strength.

This innovative product is TAA compliant, meeting the highest industry standards for government use. The included security slot adapter, compatible with Kensington Standard Slots (K-Slots), guarantees a snug fit for optimal security. Additionally, the package includes 3M double-sided foam tape for versatile mounting options, making installation a breeze.

Invest in the 4XEM Kensington Standard Slot Adapter Kit today and safeguard your assets with confidence.
