

4XEM Noble Wedge Slot Laptop Combination Lock – TAA compliant

4XEM Part- 4XLAPLOCKENOTAA

Introducing the 4XEM Noble Wedge Laptop Combination Lock, the ultimate security solution for your valuable laptop. With a robust steel construction and a 4-digit resettable combination lock, rest assured that your device is protected from theft wherever you go. Engineered to fit Noble Wedge Slots and offering a mini-saver slot option, this lock provides versatile compatibility for various devices. Notably, it complies with the Trade Agreements Act (TAA), ensuring adherence to rigorous industry standards.

Crafted in sleek silver with a durable PVC cable in dark gray, this lock blends seamlessly with your laptop while offering reliable strength. The 4.9-foot cable length provides ample flexibility without compromising on security, while its compact design makes it easy to transport.

The package includes the laptop lock cable, bumper spacer, and velcro strap for added convenience. Plus, with clear instructions included, setup is quick and hassle-free. Made in Taiwan, this product exemplifies quality craftsmanship and attention to detail.

Compatible with notebooks, the 4XEM Noble Wedge Laptop Combination Lock offers peace of mind for individuals and businesses alike. Invest in the security of your laptop today with 4XEM.
