4XEM 8 Pin Lightning to VGA Adapter for Apple iPhone/iPad/iPod- MFi Certified

4XEM Part- 4XLIGHTNINGVGA

Made for
 iPhone | iPad | iPod

Connect all your Apple iPhone, iPad, or iPods with 8-pin Apple Lightning connection to your monitor of projector with 4XEM's MFi certified Lightning to VGA adapter. The Lightning to VGA Adapter supports mirroring of what is displayed on your device screen. Mirror your apps, presentations, websites, slideshows and much more directly to your VGA compatible TV or projector. Pair with any of our 4XEM VGA cables like 4XVGAMM3FT or our pro series 4XVGAMM6FT for complete 4XEM quality and durability. Our Apple compatible cables deliver dependable performance and durability with the reinforced molded ends to prevent excessive usage wear.

Problem it solves: The 4XEM MFi Certified Lightning to VGA adapter for Apple 8pin Lightning devices makes it very easy to mirror and display your Apple device screen to a much larger TV or projector. Great for company meetings when you show the whole team what you are working on or simply running a movie from your iPhone. When displaying from any Apple device, always trust 4XEM Connectivity!

4XEM cables come with our unmatched Lifetime Warranty!
