

4XEM 1-Port 100M 10/100 Mbps PoE Extender

4XEM Part- 4XLS101

Deliver both data and power over Ethernet and beyond 100 meters to a PoE network device with 4XEM'S 100M 10/100 PoE Extender. This durable and high quality PoE Extender supports 10/100Mbps data rates and delivers IEEE 802.3 at power levels up to 25.5W. Powered via PoE inputs, the extender does not require local power. Simply plug and play with no configuration required. Multiple extenders can be cascaded to reach up to 500 meters. Go long!

Features:

- Quickly and easily set up a wired network
- Cascade to other network devices through the uplink port to expand your local area network
- Electrical power is transmitted along with data in a single cable to devices such as Access Points, IP cameras or IP phones
- Supports cost-efficient twisted pair cables for high-speed data transfer or power delivery up to 100 meters
- Fast Ethernet technology gives ideal solution for extending network connections to conference rooms, labs, lobbies and department workgroups
- Built-in power supply to ensure all components are being supplied with accurate voltage
- The desktop installation makes it ideal for deployments outside the wiring closet

Applications:

- Home
- Connections
- Office
- Servers
- Networking

SPECIFICATIONS:

Warranty Information	Warranty	Lifetime
Hardware	Active or Passive cable	N/A
	Chip ID	N/A
	Direction	N/A
	Connector Plating	Black
	Number of Conductors	N/A
Performance	Power Output	25.5w
Connector(s)	Connector	RJ-45 (PoE)
Physical Characteristics	Product Length	3.5 in
	Product Width	4.5 in
	Product Height	1.5 in
	Product Weight	8 oz
	Color	Blue/Green
	Connector Style	N/A
	Connector Shielding	N/A
Packaging Information	Package Height	4in
	Package Width	5in
	Package Length	1.5in
What's in the Box	Included in Package	1 - 1 Port PoE Switch
