

4XEM 2U Open Wall Mount Bracket

4XEM Part- 4XOPENWALL2U

NOTE: Picture may not represent the exact size,  
see below for accurate size

4XEM's 2U 19" wall mounted open rack provides a durable and solid design. The 4XEM 2U open wall mount bracket features heavy gauge material to ensure a stable installation platform. The universal standard design is compatible with 19" equipment from popular manufacturers. The 2U open wall mount bracket also provides a swing hinge to allow for easy installation of equipment and cabling. They are designed specifically for small business, home offices, restaurants, classrooms and IT professionals!
