

4XEM 6U 19" Deep Wall Mount

Server Rack 4XEM Part- 4XRACK6U

4XEM's 6U 19" wall mounted server rack provides a durable and solid design for rackmount servers, switches and other networking equipment. The 4XEM 6U server cabinet features heavy gauge material to ensure a stable installation platform. Sporting a tempered glass door and maximum loading capacity. The universal standard design is compatible with 19" equipment from popular manufacturers. The 4XEM wall mounted racks all have a 180 degree front tempered glass door and cable entry locations at the top and bottom of the cabinet. They are designed specifically for small business, home offices, restaurants, classrooms and IT professionals!
