

4XEM USB 3.0 SATA Hard Drive Enclosure

4XEM Part- 4XST235

With a durable and easily portable design 4XEM's USB 3.0 SATA Hard Drive enclosure is a product that offers protection and mobility. Compatible with both SATA HDD and SSD this device can fit into a variety of situations. This device turns SATA 2.5 hard drives into a USB super speed external pocket instantly. Ideal for data back-ups, video editing, recovering data and troubleshooting. The enclosure is paired with a USB A to Micro B USB cable, allowing for compatibility with a variety of host devices. Keep your data safe and close by with this Hard Drive Enclosure.

Problem it solves: Recover your images and other important files from your dead devices without the fear of damage, with this mobile and sturdy enclosure.

Features:

- Detachable Micro USB Type B to USB Type-A connector cable
- SATA III Operating Mode
- Compatible with 2.5" SATA Drive Types
- Easy swap/ plug and play, no drivers needed
- Backwards compatible with USB 2.0 and 1.1
- USB Bus powered; no power adapter needed
- Supports Maximum Theoretical Data transfer rate of 625 MB/s
- Supports standard 2.5" 7mm/9mm SATA SSD and HDD Slim
- Support for "hot swapping" USB devices
- Supports Windows XP or later, Mac OS X and Linux - No driver required

Hardware Installation

1. Remove the Cover

2. Put the SATA HDD into the Enclosure

3. Close the Cover

4. Lock in the Screws

5. Enjoy

Application

- Home Office
- Office
- Mobile
- Storage expansion

Special Notes / Requirements	Notes	"625 MB/s is the theoretical maximum bandwidth available. Data throughput will be less due to overhead. Actual performance will also vary due to factors such as host processor, SSD/HDD used, drive buffer/controller, and other devices sharing the same bus, etc. Real world performance is typically 450 MB/s sequential read and 450 MB/s sequential write using an SSD; 85 MB/s sequential read 85 MB/s sequential write for a 5400RPM HDD. Occupied weight measured with Seagate Momentus Thin 500GB HDD."
What's in the Box	Included in Package	1x USB 3.0 2.5" SATA Enclosure 1x USB Type-A to 3.0 Micro-B Cable 1x User Manual 1x Screwdriver 2x KM3*5 Screws
