4XEM's USB-C Dual 4K with Power Delivery Universal Docking Station

4XEM Part- 4XUG69PD2

Introducing the ultimate productivity tool - the USB-C Dual 4K with Power Delivery Universal Docking Station. With power delivery, this dock allows you to charge your laptop while you work. The dock features 1x USB 3.1 Gen 1 Type C port, 2x DisplayPort 1.2 ports, 2x HDMI 2.0 ports, 2x USB 3.1 Gen 1 Type-C ports, 1x USB 3.0 Type-A quick charge 2.4a, 3x USB 3.0 Type-A ports, 1x rj-45 gigabit network port, 1x 3 pole audio in jack and 1x 3 pole audio out jack, providing you with all the ports you need to connect all your peripherals.

This dock is perfect for anyone looking to increase their productivity, whether you're a power user or a professional. With dual 4K support, you can connect two 4K displays for stunning visuals and smooth multitasking. The USB 3.0 ports provide lightning-fast data transfer speeds, while the quick charge 2.4a USB port allows you to charge your devices quickly. The gigabit network port provides you with fast and reliable internet speeds, while the audio in and out jacks allow you to connect your headphones or speakers.

Upgrade your workstation with the USB C Dual 4K with Power Delivery Universal Docking Station and experience the power of productivity.

**Including the latest drivers for compatibility with Windows 10, 8.and 7 or Apple Mac OS
