4XEM USB-C Ultra 5K (with Dual 4K) Universal Docking Station

4XEM Part- 4XUG69PD6

Unleash the full potential of your workstation with the 15 Port USB-C Ultra 5K Universal Docking Station! Featuring dual 4K displays, this docking station is designed for professionals who need to expand their workstation for maximum productivity.

With a USB 3.1 Gen 1 Type-C Host Connector and 2x DisplayPort 1.2 and 2x HDMI 2.0 (18.0 Gbps) ports, you can connect to two 4K displays and enjoy stunning visuals. The 6x USB 3.0 Type-A (5 Gbps) ports offer fast and reliable data transfer, and the 1x RJ45 Gigabit Ethernet port ensures stable and fast internet connection.

In addition, the docking station features 1x 3-pole TRRS Phono Jack (Stereo Output) and 1x 3-pole TRRS Phono Jack (Mic Input) for connecting audio devices. The 1x Barrel type power connector allows for easy and convenient power supply.

With its compact and versatile design, the 15 Port USB-C Ultra 5K Universal Docking Station is the perfect upgrade for your workstation. Experience lightning-fast speeds, stunning visuals, and seamless connectivity.

Features:

- USB 3.1 Gen 1 Host Connector – Detachable
- Up to 60W of Power Delivery
- Supports Single 5K monitor resolutions and Dual 4K Monitor resolutions
- 2x DisplayPort 1.2 (21.6 Gbps) ports
- 2x HDMI 2.0 (18.9 Gbps) ports
- 6x USB 3.0 Type-A
- 1x RJ-45 (10/100/1000 Mbps)
- 1x 3-pole TRS 3.5mm Phono Jack (Stereo Output)
- 1x 3-pole TRS 3.5mm Phono Jack (Mic Input)
- 1x Barrel type Power Connector
- Windows (7 and higher) and Mac OSX (10.8 and higher) compatibility
- AC Adapter Included

Benefits:

- Power Delivery: With up to 60W of Power Delivery, the docking station can charge your USB-C enabled laptop or device while connected, eliminating the need for separate chargers and keeping your workspace tidy.
- Multiple Display Support: The docking station supports single 5K monitor resolutions or dual 4K monitor resolutions, allowing you to expand your desktop workspace, increase productivity, and enjoy stunning visual experiences.
- Versatile Video Output Options: It offers 2x DisplayPort 1.2 and 2x HDMI 2.0 ports, providing flexibility to connect multiple monitors and choose the most suitable display options for your setup.
- Extensive USB Connectivity: With 6x USB 3.0 Type-A ports, you can connect a variety of peripherals such as external hard drives, keyboards, mice, printers, and more, enhancing your workflow and productivity.
- Fast and Reliable Network Connection: The RJ-45 port enables a reliable wired network connection with speeds of 10/100/1000 Mbps, ensuring fast and stable internet connectivity.
- Audio Connectivity: The docking station features two 3-pole TRS 3.5mm Phono Jacks, one for stereo output and another for microphone input. You can connect speakers, headphones, or a microphone, enhancing your multimedia experience or enabling communication during video conferences or calls.
