Features

- USB 3.0 Type-A male host connector - Attached
- HDMI 1.4 female (10.8 Gbps) port
- Supports 4K UHD resolution display
- Includes HDMI-DVI adapter
- Includes USB-C to USB-A adapter
- Windows (Vista, 7, 8, 8.1, 10), Mac OSX (10.10 or later), Linux and Chrome OS compatibility
- Minimum System Requirements: CPU Intel Core i5 and RAM of 4GB

Benefits:

- **Enhanced Connectivity:** The USB 3.0 Type-A male host connector ensures a secure and reliable connection between your device and the adapter. Say goodbye to connectivity issues and enjoy seamless data transfer.
- **Stunning Visuals:** The HDMI 1.4 female port with a data transfer rate of 10.8 Gbps delivers exceptional picture quality. Immerse yourself in the world of 4K UHD resolution, witnessing every detail and enjoying vibrant colors like never before.
- **Versatility at Its Best:** The adapter includes an HDMI-DVI adapter, expanding your compatibility options. Connect to DVI-enabled displays effortlessly, offering flexibility in your display choices.
- **Convenient Adaptability:** The USB-C to USB-A adapter allows you to connect the adapter to a wide range of devices, ensuring compatibility with various USB ports. It eliminates the need for multiple adapters, making it incredibly convenient and user-friendly.
- **Universal Compatibility:** Whether you're using Windows (Vista, 7, 8, 8.1, 10), Mac OSX (10.10 or later), Linux, or Chrome OS, the 4XEM adapter is designed to work seamlessly with multiple operating systems. No matter your preferred platform, this adapter has got you covered.
- **Efficient System Requirements:** With a minimum requirement of an Intel Core i5 CPU and 4GB of RAM, the 4XEM adapter is compatible with a wide range of systems. You can enjoy the benefits of extended displays and high-quality visuals without the need for expensive hardware upgrades.
- **Easy to Install and Use:** The plug-and-play functionality of the 4XEM adapter means you can start using it within seconds. No complicated software installations or configurations required. Simply connect the adapter, and you're ready to elevate your visual experience.
