4XEM's Deluxe USB-C Travel Mini Dock with 100W PD

4XEM Part- 4XUHP3409

Introducing our USB Type C Mini Dock with 100W Power Delivery, perfect for the modern professional on-the-go. With 1x USB-C 3.1 host connector, 1x HDMI 1.4, and 3x USB ports, including a USB 3.1 Gen 1 Type-C port and a USB 3.0 Type-A port, you'll have all the connectivity you need to get your work done efficiently.

Plus, with lightning-fast data transfer speeds of up to 5Gbps and SD card readers for both standard and micro cards, you can easily access and transfer files from all your devices. And for those who need to stay connected to the internet, our mini dock includes an RJ-45 port with speeds of up to 10/100/1000Mbps.

The USB Type C Mini Dock is designed to provide maximum convenience without sacrificing performance. With its sleek and compact design, it's easy to take with you wherever you go. And with 100W Power Delivery, you can even charge your laptop while using it.
