4XEM SuperSpeed USB 3.0 to VGA External Video Card Adapter

4XEM Part- 4XUSB3VGA

Transform your computer into a multi-monitor workstation with our SuperSpeed USB 3.0 To VGA External Video Card Multi Monitor Adapter. With a USB 3.0 Type-A Male (5Gbps) host connector and a VGA female connector, you can easily connect an additional VGA display to your computer. Enjoy high-quality visuals with a maximum analog resolution of 1920x1080@60Hz. The adapter is plug-and-play, making it easy to install without the need for any additional software or drivers.

This external video card multi monitor adapter is the perfect solution for anyone who needs to expand their desktop space. Whether you're a student, professional, or gamer, our adapter makes it easy to connect an additional monitor to your laptop or desktop computer.

Our SuperSpeed USB 3.0 To VGA External Video Card Multi Monitor Adapter is compatible with a wide range of operating systems, including Windows, and Linux. Plus, its compact and portable design makes it easy to take on the go.
