4XEM 4-port USB-A Data Hub – TAA

4XEM Part- 4XUSBAHUB4TAA

The 4XEM 4-Port USB-A Data Hub is designed to expand your connectivity while delivering high-speed data transfer and reliable performance. This compact hub supports the USB 3.2 Gen 1 standard, offering transfer rates up to 5 Gbps, ensuring quick and efficient data transmission. The hub features four USB 3.2 Type-A female ports and is bus-powered, meaning it draws power directly from your host device, offering a total power budget of 18W.

Compatible with any OS, the hub provides plug-and-play convenience without the need for additional drivers. The durable aluminum build and sleek white finish offer both style and durability, making it perfect for professionals on the go. With a compact design this USB hub is lightweight and easy to carry.

Features:

- USB 3.2 Gen 1 5 Gbps data transfer speed
- 4 USB-A Ports
- Bus-Powered
- Compact & Lightweight
- Durable Aluminum Build
- Plug-and-play with any operating system
- TAA Compliant
- 1-Year Warranty

Applications:

- **Effortless Expansion:** Instantly add four USB-A ports to your laptop or desktop, making it perfect for connecting multiple devices such as keyboards, mice, flash drives, and external storage.
- **High-Speed Data Transfer:** With USB 3.2 Gen 1 technology, enjoy blazing-fast data transfer speeds up to 5 Gbps, ideal for transferring large files quickly and efficiently.
- **Plug-and-Play Convenience:** The OS-independent design ensures hassle-free setup with any operating system, requiring no additional drivers or software.
- **Government and Enterprise Ready:** TAA compliance makes it an excellent choice for government institutions and large enterprises that require secure and certified technology.
