

4XEM Universal USB Power Adapter/Wall Charger for all USB devices 6port

4XUSBCHARGER6

4XEM's compact 2.1 AMP 6Port USB Wall Charger will charge your iPad (including Retina display iPads) and other iDevices without the need for a separate computer. Quickly plugs into a standard household outlet for fast, efficient charging. Connect the adapter directly to your iDevice via a separate 8-Pin Lightning or 30-Pin to USB Cable connector. Also charges all iPhone/iPod models and compatible MP3 players, digital cameras, tablets, mobile phones and other devices.

Problem it solves: No need to connect your iDevice to a computer for recharging. With the Power Adapter/Wall Charger, you can easily plug into any household outlet for a quick boost! Charge up to 6 different devices simultaneously!
