

## 4XEM USB-C 3.0 Docking Station and Tablet Mount

4XEM Part- 4XUSBCT6N1

Introducing the 4XEM USB-C 3.0 Docking Station and Tablet Mount - your all-in-one solution for seamless connectivity and ergonomic tablet support. With a single USB 3.0 connection, this docking station transforms your workspace, offering an array of features to enhance productivity and convenience.

Expand your connectivity options with ease. Using the USB-C cable connection, the dock then provides HD video output, a 100W PD charging port, audio connectivity, power input, and dual USB 3.0 ports for high-speed data transfer. Say goodbye to cluttered desks and tangled cables - our docking station consolidates all your essential connections into one sleek hub.

Say goodbye to discomfort and hello to efficiency with the 4XEM USB-C 3.0 Docking Station and Tablet Mount. Elevate your workspace today and experience the ultimate in connectivity, versatility, and performance.

## Features

- Single USB 3.0 connection
- 4K HD video output
- 100W PD charging port
- Audio port for seamless audio connectivity
- Power input port for convenient power supply
- Dual USB 3.0 ports for high-speed data transfer
- SD/TF card slots
- Supports laptops from 10" to 17"
- Compatible with Windows, Chrome, Linux, and Android systems
- Plug-and-play functionality for hassle-free setup
- Foldable and portable design for on-the-go convenience
- Heat conduction alloy and ventilation design prevent overheating
- Silicone padding prevents scratches and secures devices

## Applications:

- Keep your tablet closer to eye level to avoid strain
- 100W Power Delivery keeps your device charged
- Connect your workstation through multiple ports to create peak efficiency
- Adjustable hinges allow you to take this mount/docking station on-the-go to keep you connected anywhere you need to be
