

4XEM Thunderbolt 3 4K Display Universal Docking Station

4XEM Part- 4XUTD01H

Introducing the ultimate solution for high-speed connectivity and multi-tasking – the Thunderbolt 3 4K DisplayPort Universal Multi Port Docking Station. With its powerful 40 Gbps Thunderbolt 3 host connector and 1x DisplayPort 1.2 port, this docking station provides lightning-fast data transfer speeds and supports resolutions up to 4K.

The Thunderbolt 3 4K DisplayPort Universal Multi Port Docking Station boasts an impressive array of ports that make it a one-stop-shop for all your connectivity needs. With 1x Thunderbolt 3 port, 4x USB 3.0 Type-A ports, 1x SD card reader SD 3.0, 1x micro SD card reader 3.0, 1x RJ45 Gigabit port, and 1x 4-pole mic/audio port, you can easily connect multiple devices at once, making it the perfect solution for anyone who needs to work more efficiently.

Crafted from sleek and durable materials, the Thunderbolt 3 4K DisplayPort Universal Multi Port Docking Station is engineered to deliver unparalleled performance, perfect for creative professionals, gamers, and anyone seeking a superior user experience. The docking station's multiple ports allow you to connect multiple devices, including displays, hard drives, and more, without the need for additional cables or adapters.

## Features

- Powerful 40 Gbps Thunderbolt 3 host connector
- 85W Upstream (to Host) Power Delivery and 95W Downstream (to peripheral) Power Delivery
- 1x DisplayPort 1.2 port with support for 4K resolution
- 1x Thunderbolt 3 port (40 Gbps – DP Alt Mode – USB Mode: Max 10 Gbps)
- 4x USB 3.0 Type-A ports for 5 Gbps data transfer
- 1x SD card reader SD 3.0
- 1x micro SD card reader 3.0
- 1x RJ45 Gigabit port for reliable network connectivity
- 1x 4-pole mic/audio port for connecting headphones or a microphone

## Benefits

- Lightning-fast data transfer speeds with Thunderbolt 3 technology
- Connect up to two 4K displays for a high-quality visual experience
- Multi-port connectivity with 4x USB 3.0 Type-A ports and 2x card readers for added convenience and productivity
- Plug-and-play design for easy setup and use
- Durable and sleek design for long-lasting performance
- Perfect for creative professionals, gamers, and anyone who needs to connect multiple devices for work or entertainment
- Single docking station eliminates the need for additional cables or adapters
- Simplifies and declutters your workspace for increased productivity and a better user experience
- Provides reliable network connectivity with the RJ45 Gigabit port
- High-quality audio output and input with the 4-pole mic/audio port

## Application

- Home theatre
- Small business
- Multi-Screen Display
- Business Presentations
