

4XEM 10FT High Resolution Coax M/F VGA Extension

Cable 4XEM Part- 4XVGAMF10FT

Designed to deliver the highest video quality possible through VGA, 4XEM's High Resolution VGA Extension Cables are ideally suited for top performance VGA applications. Constructed from 28 AWG wire, these durable male to female coaxial VGA extension cables eliminate potential ghosting and fuzzy images inherent to non-coaxial cables. Foil shielding protects your short cable runs from EMI/RFI interference and fully molded connectors sport easy-to-use long thumbscrews for a fast connection. Connect with the best - 4XEM.

Problem it solves: Get the highest quality VGA video with 4XEM's line of extension cables.

4XEM gear is respected industry wide for its high performance, premium quality and durability.
