

# Bowling Gear Vending Machine

## Always Open

Just because the pro shop isn't open doesn't mean bowlers can't get what they need. This 'Round the Clock Pro Shop gives bowlers peace of mind that what they need will always be there. And you get peace of mind knowing you're not losing sales.

## No More Lost Sales

Bowling accessory sales no longer have to be lost sales just because the pro shop needs a little time off. Now there's the 'Round the Clock Pro Shop, a vending machine system specifically designed to accommodate bowlers' needs, and featuring bowling accessory products that bowlers look to buy virtually 24 hours a day.

eVending.com, one of the nation's leaders in vending machine manufacturing and merchandising, to provide pro shops with the absolute best impulse-purchase profit-making opportunity available in the industry today.

## An Investment That Pays Dividends

Studies have shown that an appropriately merchandised vending program can pay for itself with an average of a few sales per day. A great profit stream. Financing available. Profit making can start immediately.
