In order to bring you the best products possible, we continue to improve product design and performance and as such specifications are subject to change without notice. The manufacturer makes no warranties or representations of compliance with any local, state, national or international requirements for the operation of the equipment in any application for which it is capable of being used beyond approvals listed on the product. Any purchaser is required to make an independent analysis of the fitness and legality of the product's usage before it is deployed and must continue to monitor the potential changing nature of compliance requirements. The manufacturer expressly disclaims responsibility for compliance with any laws and affirmatively requires any buyer to make an independent analysis of the fitness and legal basis of any use or application of the subject unit.

Outdoor Protection
Impact resistant Lexan window cover, rain guards and anti-pry covers provide superior resistance to the elements, vandals and thieves.

New upgraded lock & hasp
We provide the lock you want to secure your outdoor machine's products.

Alarm Feature
Sounds when machine is tipped or door opened without authorization.

Credit/Debit & mobile reader options.

iVend® Guaranteed Delivery System
Keeps customers satisfied and reduces service calls for misloaded product.

Re-configure trays to almost any package size in the field with no need for tools.
