# CUSTOM CONCRETE NAME AND DATE STAMP

KRAFT TOOL CO.®

- **The perfect way to mark concrete for permanent identification**
- **Made from high grade bronze**
- **Stamp is 5" x 9" oval with flat ends**
- **Shipping weight is 5 lbs.**

- Stamp has 16 spaces per line with 3 lines available to use and will be made exactly as you print below. Fill out the form below exactly as you would like your stamp. Each character requires one space. Leave a space between words or group of numbers as desired.
- Logos are not adaptable to this name stamp.
- The 2-1/2" long date insert (year only) is optional and placed between line 2 and line 3, clipped to the back of the stamp for easy change from year-to-year.
- Available characters include letters A through Z (upper case only); numbers 0 through 9; and specific symbols (comma, period, dash, slash, apostrophe, hyphen, colon, semi-colon and ampersand).
- Characters are 5/8" tall, imprinting 1/2" deep. Center characters per line or start flush on left side. Lines 1 and 3 are curved as shown below, while Line 2 is straight. Overall stamp is 5 x 9".
