nuwave®

DURALON® BLUE COOKWARE

Congratulations on your purchase of NuWave® Duralon® Blue Ceramic Non-Stick Cookware! Our mission is to provide products that promote healthy living and improve the quality of your life. You now have cookware with technologically advanced Duralon® Ceramic Non-Stick Coating. This coating is extremely convenient because food easily slides off. Cleanup is simple because the ceramic surface easily washes clean.

Unlike other traditional cookware, cooking with NuWave® Duralon® Blue Ceramic Non-Stick Cookware is healthier because unwanted fats and oils are not necessary. Ceramic coating, in general, is stronger and more resistant to abrasions than other non-stick materials that may contain chemicals such as perfluorooctanoic acid (“PFOA”), which has been linked to certain types of cancer, or polytetrafluoroethylene (“PTFE”), which may start to degrade at temperatures over 500°F.

Our NuWave® Duralon® Blue Ceramic Non-Stick Cookware does not contain either of these chemicals and is PFAS free. Our cookware was tested by independent 3rd party lab for 106 known PFAS elements and none were detected. With this peace of mind, we hope to provide many years of satisfaction and enjoyable cooking!

COOKWARE

DURALON® BLUE COOKWARE CONSTRUCTION

- 1 DURALON® BLUE**
A Ceramic Non-Stick Coating that is stronger and free of toxic chemicals.
- 2 FORGED ALUMINUM CORE**
Durable and lightweight, it conducts and distributes heat evenly.

- 3 HIGH-TEMPERATURE EXTERIOR COATING**
Oven safe and dishwasher safe with a long-lasting, enduring finish.
- 4 STAINLESS STEEL INDUCTION-READY PLATE**
Makes the cookware induction ready; heats up quickly and retains heat longer.

IMPORTANT SAFEGUARDS

- Do not allow children near an open flame or heating surface unsupervised.
- Lids and cookware may become hot during prolonged cooking.
- To avoid injury, always use oven mitts or pot holders when handling hot cookware.
- Use caution when removing lids as steam may accumulate inside the cookware.
- Do not leave your cookware unattended while in use.
- Never allow gas flames to extend higher than the bottom of the pan.

NuWave® Duralon® Healthy Ceramic Non-Stick Cookware is compatible with common heating sources such as gas and electric stoves, as well as induction cooktops. Induction is the safest heating method because it transfers magnetic energy to the cookware, creating even heat distribution without wasting energy.

WORKS WITH ALL STOVETOPS

COOKING

Utensils

The NuWave Culinary Team recommends the use of high-heat-rated, silicone-based tools for cooking foods. Do not use metal utensils while cooking. Never attempt to cut foods while they are in the cookware. Any misuse of the coating will void the warranty; refer to the Limited Warranty.

Recommended Heating

Your NuWave Duralon® Blue Ceramic Non-Stick Cookware can handle high heat. It has been tested at temperatures up to 900°F, coming out unscathed.

However, long-term or repeated exposure to such heat can cause food to scorch, burn, or discolor the cookware and potentially damage the coating. Therefore the maximum recommended ambient temperature in an oven is 500°F, while maximum safe temperature for your glass lids is 350°F. You may sear foods in your cookware at high heat for short periods of time but note that keeping the temperature down to 450°F or below will increase the useful life of the ceramic coating from 30%–50%. For best results, allow pan to heat between 280° F~300° F for up to 1 minute before inserting and cooking foods. Avoid preheating empty pans above 300° F.

Smoke Point

If using oil, do not exceed the oil's smoke point.

The smoke point of oil is the temperature at which it begins to break down to glycerol and free fatty acids, producing bluish smoke. The smoke point also signifies the beginning of flavor and nutritional degradation.

Oil Type	Smoke Point
Rice Bran Oil	490°F
Grapeseed Oil	485°F
Canola Oil	435°F
Extra-Virgin Olive Oil	405°F
Peanut Oil	440°F
Sesame Oil	410°F
Sunflower Oil	440°F
Almond Oil	420°F

Smoke points can vary dependent upon many different factors. Consult the list of common oil types (*right*) and their median smoke point. Always practice caution when cooking with oil.

MAINTENANCE

CLEANING AND CARE

NuWave Duralon Ceramic Cookware is an investment that is meant to last for years. The following instructions will not only help you properly maintain your cookware, but they will also help to extend your cookware's life to the fullest.

While NuWave Duralon Cookware is 100% dishwasher-safe, we highly recommend hand-washing your cookware with a mild liquid soap in order to maximize the longevity of the non-stick coating.

Always:

- Let your cookware cool on the counter or stovetop, away from heat, before washing it.
- Wash your cookware with a mild liquid dish soap and a non-abrasive cloth or sponge for longest life.
- Rinse your cookware thoroughly and dry it with paper towels or a soft cloth.
- Use silicone or wooden tools when cooking to protect the cookware coating.
- Use a hanging rack to store your cookware (where possible).

Never:

- Use cooking sprays, harsh abrasives, metal scrubbers, or heavy-duty cleaning chemicals. They will damage the Duralon coating, inhibiting functionality and voiding the warranty.
- Run cold or warm water over hot cookware and do not immerse hot cookware in water. This can damage the Duralon coating and may cause the pan to warp.
- Scrape the surface of your cookware with metal.
- Store your cookware stacked in such a way that the coating can be scratched or otherwise damaged.
- Heat your cookware above 450°F or allow it to boil dry.

Tip: If grease, stains, or stickiness starts to build up, clean your cookware with baking soda and white vinegar.

Tip: If cookware must be stacked when storing away, towels or paper towels can be placed between each cookware to prevent scratching or damage to the coating.

LIMITED WARRANTY

THE MANUFACTURER WARRANTIES

NuWave, LLC warrants that this NuWave Duralon Blue Healthy Ceramic Non-Stick Cookware will be free from manufacturer defects for 10 YEARS from the date of purchase, under normal household use, and when operated in accordance with the Manufacturer's written instructions. This Limited Warranty does not cover the ceramic coating and is valid only for the original purchaser and cannot be transferred. The Manufacturer will provide the necessary parts and labor to repair the product at the NuWave LLC Service Department. After the expiration of the warranty, the cost of the parts and labor will be the responsibility of the owner.

THE WARRANTY DOES NOT COVER

The Limited Warranty is voided if repairs are made by an unauthorized dealer, or the serial number data plate is removed or defaced. Normal deterioration of finish due to use or exposure is not covered by this Warranty. This Limited Warranty does not cover failure, damages or inadequate performance due to accident, acts of God (such as lightning), fluctuations in electric power, alterations, abuse, misuse, misapplications, corrosive-type atmospheres, improper installation, failure to operate in accordance with the Manufacturer's written instructions, abnormal use, commercial or rental uses, or resold units.

EXCLUSIONS

This warranty does not cover:

- Damage to the rim of product such as dents or scratches caused by utensils or stacking during cleaning or improper storage.
- The ceramic coating damage is caused by appliances such as mixers.
- The ceramic coating damaged and/or discoloration caused by sharp utensils, scouring pads, steel wool, abrasive cleansers not rated for nonstick surfaces, including bleach and other similar products.
- Commercial, professional, or workplace use.
- Warping, metal separation or discoloration due to high heat or prolonged heat exposure when empty.
- Any replacement of non-defective cookware as part of a set or component (for example other pieces in the set or matching lid).
- Damage arising from thermal shocks to the interior and exterior of the product, improper use (for example-boil dry), and failure to follow the use and care instructions.
- Workplace, Professional, or Commercial use.
- Normal wear and tear, such as discoloration, scratches, stains on the interior of

LIMITED WARRANTY

the product that do not materially impact the nonstick properties of the cooking surface.

- Accidental or unintended damage.

NuWave LLC reserves the right to void the Limited Warranty, where allowable by law, for products purchased from an unauthorized dealer.

TO OBTAIN SERVICE

The owner shall have the obligation and responsibility to pay for all services and parts not covered by the warranty; prepay the freight to and from Service Department for any part or system returned under this warranty; and carefully package the product using adequate padding material to prevent damage in transit. The original container is ideal for this purpose. Include in the package the owner's name, address, daytime telephone number, a detailed description of the problem, and the RGA (Return Goods Authorization number). To obtain the RGA number, email us at:

For Amazon Purchases: support@nuwavenow.com

For All Other Purchases: help@nuwavenow.com

Provide the product model, and proof of date of purchase (a copy of the receipt) when making claims under this warranty.

MANUFACTURER'S OBLIGATION

The Manufacturer's obligation under this Limited Warranty is limited, to the extent allowable by law, to repairing or replacing any part covered by this Limited Warranty which upon examination is found to be defective under normal use. The Limited Warranty is applicable only within the continental United States and only to the original purchaser of the manufacturer's authorized channels of distribution. **THE LIMITED WARRANTY MAY NOT BE ALTERED, VARIED OR EXTENDED EXCEPT BY A WRITTEN INSTRUMENT EXECUTED BY THE MANUFACTURER. THE REMEDY OF REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS LIMITED WARRANTY IS EXCLUSIVE. IN NO EVENT SHALL THE MANUFACTURER BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES TO ANY PERSON, WHETHER OR NOT OCCASIONED BY NEGLIGENCE OF THE MANUFACTURER, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF USE, COSTS OF SUBSTITUTION, PROPERTY DAMAGE, OR OTHER MONEY LOSS.**

LIMITED WARRANTY

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation exclusions may not apply. This Limited Warranty gives specific legal rights, and there may also be other rights which vary from state to state. **EXCEPT AS OTHERWISE EXPRESSLY PROVIDED ABOVE, THE MANUFACTURER MAKES NO WARRANTIES EXPRESSED OR IMPLIED ARISING BY LAW OR OTHERWISE, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE TO ANY OTHER PERSON. READ YOUR OWNER'S MANUAL. IF YOU STILL HAVE ANY QUESTIONS ABOUT OPERATION OR WARRANTY OF THE PRODUCT, PLEASE CONTACT NUWAVE LLC.**

DISPUTE RESOLUTION PROCEDURE

For disputes relating to use of the website or use or purchase of a NuWave product or service (collectively "Disputes"), you agree to first contact NuWave LLC at legal@nuwavenow.com. If we cannot resolve your dispute informally, any and all disputes shall be submitted to final and binding arbitration. You may start the arbitration process by submitting in writing a demand to the American Arbitration Association ("AAA") and sending a copy to NuWave. NuWave will pay all filing costs. A single arbitrator of the AAA will conduct the arbitration in a location convenient to you or by phone. The arbitrator's award will be binding and may be entered as a judgment in a court of competent jurisdiction. The arbitration will be conducted in accordance with the provisions of AAA's Commercial Arbitration Rules and Mediation Procedures in effect at the time of submission of your demand for arbitration. See https://www.adr.org/sites/default/files/CommercialRules_Web.pdf. Except as may be required by law as determined by an arbitrator, no party or arbitrator may disclose the existence, content, or results of any arbitration hereunder without prior written consent of both parties.

A. WAIVER OF RIGHT TO SUE. By agreeing to arbitration, you understand that, to the maximum extent permitted by law, you are agreeing to waive your right to file suit in any court, to a court hearing, a judge trial, or a jury trial.

B. CLASS ACTION WAIVER. To the maximum extent permitted by law, you expressly agree to refrain from bringing or joining any claims in any representative or class-wide capacity, including but not limited to, bringing or joining any claims in any class action or class-wide arbitration.

C. OPT OUT PROCEDURE. To request to opt out of arbitration you must contact NuWave LLC at legal@nuwavenow.com, NuWave LLC, 560 Bunker Ct., Vernon Hills, IL 60061, U.S.A. You will have thirty (30) days from the date of product delivery to opt out of arbitration with respect to any dispute arising out of or relating to use or purchase of any

LIMITED WARRANTY

NuWave product. If more than 30 days have passed, you are not eligible to opt out of arbitration and will have waived your right to sue or participate in a class action with respect to the dispute arising out of your purchase or use of a NuWave product. For any dispute arising out of your use of NuWave's website, you have thirty (30) days from the date you provided information to the website to opt out of arbitration. If more than 30 days have passed, you are not eligible to opt out of arbitration and you will have waived your right to sue and participate in a class action with respect to the dispute arising out of your use of NuWave's website.

D. SOME MATTERS ARE NOT SUBJECT TO ARBITRATION. Notwithstanding the foregoing, the following shall not be subject to arbitration and may be adjudicated only in the state and federal courts of Illinois: (i) any dispute, controversy, or claim relating to or contesting the validity of our intellectual property rights and proprietary rights, including without limitation, patents, trademarks, service marks, copyrights, or trade secrets; (ii) an action by a party for temporary, preliminary, or permanent injunctive relief, whether prohibitive or mandatory, or other provisional relief; or (iii) interactions with governmental and regulatory authorities. You expressly agree to refrain from bringing or joining any claims in any representative or class-wide capacity, including but not limited to, bringing or joining any claims in any class action or any class-wide arbitration.
