2021

WWW.XD-DESIGN.COM

SAVE WATER AND MAKE A POSITIVE IMPACT.

Water is a worldwide issue. By 2025 50% of the world population will experience a lack of sufficient drinking water. We must do something!

XD Design backpacks are made from certified recycled plastic bottles, reusing plastic that would end up in landfills or oceans and saving huge amounts of water.

EACH XD DESIGN SUSTAINABLE BACKPACK:

REUSED

AN AVERAGE OF

31 

WATER BOTTLES

SAVED

AN AVERAGE OF

 **18**

LITRES OF WATER

THE JOURNEY TO A SUSTAINABLE BACKPACK:

To certify that original recycled feedstock has been used in our products, saving natural resources, we partnered up with AWARE™.

AWARE™ is a virtual component that keeps track of sustainable materials through tracer and blockchain technology. How it works:

We start recycling wasted plastic water bottles that would otherwise end up in landfills or in the oceans

Lids and labels are removed and the bottles are shredded and washed

From these flakes we make new yarn. During this process we add an invisible tracer (fingerprint) to be able to verify recycled content in final product

The recycled polyester yarn is woven into rolls of fabric. Each kilo of recycled polyester fabric is entered into blockchain to validate impact

XD Design backpacks are made from fabric that started as plastic bottle waste

BOBBY BACKPACK TROLLEY

Anti-Theft Backpack & Trolley bag

BOBBY BACKPACK TROLLEY

● P705.771

The smartest backpack and trolley bag
Convenient as a trolley and practical as a backpack -- the Bobby backpack trolley is your ideal travel companion in small trips or during daily commute.

Easily transform it from a backpack to a trolley storing the shoulder straps in the back panel and releasing the telescopic drawbar. When switch to a backpack mode, you can hidden the handle and wrap the backpack around the wheels, keeping your back clean.

The Bobby backpack trolley also keeps you safe and connected with our famous anti-theft design and an integrated USB charging port combined with a TSA lock. Internally, you can find separated compartments for clothes and business with a front quick laptop access pocket that opens at 30-degree angle and fits up to 17" laptop.

In addition, you have also a quick access bottle pocket, that uses interior space and keeps the overall aspect of your bag flat and a back RFID protected pocket to protect your identity.

The Bobby backpack trolley is made from recycled materials and can be taken on board to aircrafts as carry-on luggage. Registered design®

PROTECTIVE MASK SET

XD Design Protective mask set

PROTECTIVE MASK SET

We face challenging times, and in this moment our desire for exploring and freedom is sparking more than ever. Keep your travel spirit strong in a safely way.

XD Design protective masks set - high quality masks and certified filters for continuous and everyday use.

The XD Design protective masks set contains 1 reusable & washable face mask, 5 reusable & cleanable filters and a foldable pouch to store your mask and the backup filters hygienically.

Treated with ViralOff®, a technology that reduces by 99% viruses over 2 hours*, the XD Design mask can be used during all day without changing the filter that must be inserted in the mask's middle layer. The unique Hyproof® Nanofiber filters have a high filtering efficiency by 95% towards bacteria & virus keeping you protected during all the time you were with the mask.

The XD Design protective mask is also designed for extra comfort with adjustable strips to free the pain on your ears. The three-dimensional chin structure of the mask and the nose bridge endures for thousands of bends.

This device is not a medical device in the sense of Regulation EU/2017/745 (surgical masks) nor is it personal protective equipment in the sense of Regulation EU/2016/425 (filtering masks type FFP2). *The ViralOff® is a durable and always-on treatment. For best performance and sustainability, wash the mask less and only when needed. Wearing this mask constitutes a protective barrier against possible penetration of the virus in the user's mouth and nose area or from a nearby person. It is intended to protect this area against any contact with the hands. Wearing this mask does not exempt you from any social distance or hygiene rules.

Mask up in safety, style and design to protect you and people around you.
XD Design protective mask set, safe for you, safe for all!

REVIEWS

Love it. I just received this as a birthday gift. Opening it full really helped packing and organizing. It is very comfortable and I am looking forward to using it as my carry on when travelling. Olivia, USA

We kochten een Bobby Urban Lite rugzak en zijn heel tevreden van de slimme opties die voorzien zijn om deze rugzak multi-inzetbaar te maken. Weerbestendig, antidiefstal, afsluitbaar, in volume aanpasbaar, diverse verdoken zakjes, ... De ideale metgezel voor het werk of op reis. Bovendien hebben we kunnen ondervinden dat het bedrijf XD-design klantvriendelijkheid hoog in het vaandel draagt en snel antwoordt op vragen. Een heel tevreden klant en fan dus! S. Mazzaresse, BE

Best backpack! Amazing material! Good in 24h business mode. Perfect for business man for travel e for every day! Niccolò, IT

I was an early backer of the Bobby Bizz bag on Indiegogo, and I have absolutely loved it. I constantly receive compliments for it. I am a bit of a geek who likes organisation, and the amount of dedicated pockets mean I can carry everything I need for work or travel. Marco, GB

Supersnelle levering, professioneel product, mooie kleuren, mijn zoon is een grote fan van jullie. Ikzelf heb de Bobby bizz en ik zou hem nooit meer af willen staan. Misschien is er in de toekomst nog een andere kleur te verkrijgen maar ik ben er nu ook blij. Ingrid, NL

La mochila es espectacular muy buena calidad. Tambien tiene muy poco peso. Y viene muy bien para el ordenador y la tablet, una compra muy buena. Adrian, ES

Le Bobby urban est tout simplement génial ! Le prix est largement justifié par toute ses caractéristiques : je cherchais un sac à dos, ultra polyvalent et que l'on puisse adapter selon beaucoup d'usages divers et variés ! C'est chose faite.

- Plutôt classe avec ou sans le filet, fermé au maximum pour une utilisation urbaine de tous les jours... Courses, Petits trajets en vélo, travail, sorties en ville etc...
 - 100% antivols grâce à la poche arrière et aux cadenas intégrés pour ouvrir le « cœur » du sac à dos, on peut donc aussi l'emporter en concerts et festivals ou tout endroit où il y a un risque de se faire dépouiller
- Mon nouveau sac à dos qui a remplacé mes trois anciens! Salami69, FR

I have been a traveling consultant for 18 years now, having gone through all kinds of bags, backpacks, and cases of every kind and shape. After more than a year with the Bobby Bizz, I can say it is the best one I have ever had. It's the perfect size for airplanes (fits in all overheads and oblique underneath even regional jet seats), and holds up against being taken through the gauntlet of cars/floors/coffee shops/airports/airplanes still looking clean and brand new when I show up to a customer site. Sturdy, well designed, and great looking. Alex, US

El producto es tal lo describen, muy práctico para los que vamos a todas partes con el portátil a cuestas. Además incorpora varios bolsillos muy útiles para los pequeños accesorios que llevamos. La calidad muy buena y el envío rapidísimo. Félix, ES

I love my Bobby Original. It's my favorite backpack so far! It's super comfortable, and the size fits me perfectly – I can carry all my stuff with safety and don't care much about something being stolen. Many thanks to XD Design! Denis, FI
