GIORGIO CAVAZZANO COLLECTION

Ha 76 anni ne ha passati più di 60 in mezzo a carte, matite, gomme e pennelli ed è considerato il disegnatore disneyano migliore al mondo.

Avendo ridotto la distanza tra fumetto e animazione, Cavazzano può sperimentare nuove forme narrative. (Giuseppe Fumagalli, OGGI 9/11/23)

Quante parole servono per definire l'arte di Giorgio Cavazzano? Nessuna veramente adeguata. Ogni suo lavoro è come quel quadro per cui ti sforzi inutilmente di trovare un termine che lo descriva, tanta è l'enfasi che ti coglie nell'ammirarlo. E non valgono le classificazioni, poiché molteplici sono i richiami figurativi (alle atmosfere del cinema e all'opera dei maestri del fumetto soprattutto) e così evidente l'autonomia della sua ricerca, che sembra sempre di correlare impropriamente.

Eppure i suoi lavori rimandano ad un concetto che descrive con sufficiente sintesi l'esperienza artistica e personale dalle quali muovono: naturalezza nella disciplina, oserei.

Il suo stile sembra nascere dall'interno, da emozioni sperate e vissute, prima che da riduzioni intellettuali. E quel sentire sembra informare di spontaneità i suoi disegni.

Ma non è solamente il "dono" a informare l'arte di Cavazzano. Vi si legge sempre impegno, moralità verso i collaboratori e il lettore e una perseveranza a fare di più per rendersi leggibile, per migliorarsi. Una ricerca, la sua, che grazie alla continuità con cui si è sviluppata risulta alla fine quasi impercettibile, pur essendo fondamento della fama e riconoscibilità che gli sono proprie.

Da questi presupposti mi pare nasca il suo stile, nella convinzione che nonostante le imitazioni rimarrà unico e inarrivabile. Per fortuna! (Roberto Franco per ARTEFUMETTO)

Giorgio Cavazzano ha il pregio di essere considerato uno dei disegnatori migliori al mondo e noi, come azienda possiamo fregiarci della sua amicizia, che ha portato alla realizzazione di due linee esclusive nate dalla sua impareggiabile maestria, arricchendo il nostro catalogo donandogli innegabilmente un tocco ironico, inimitabile, incredibile, incomparabile in più, come sempre nello stile iTotal e iDrink!

He is 76 years old and has spent more than 60 years in the midst of cards, pencils, erasers and paintbrushes and is considered the world's best Disney cartoonist.

Having reduced the distance between comics and animation, Cavazzano can experiment with new narrative forms. (Giuseppe Fumagalli, OGGI 9/11/23)

How many words are needed to define the art of Giorgio Cavazzano? None really adequate. Every one of his works is like that painting for which you strive in vain to find a term to describe it, such is the emphasis that seizes you when you admire it. And classifications do not apply, as there are so many figurative references (to the atmospheres of the cinema and the work of the masters of comics above all) and so evident is the autonomy of his research, that it always seems to correlate improperly.

Yet his works refer to a concept that describes with sufficient synthesis the artistic and personal experience from which they move: naturalness in discipline, dare I say it.

His style seems to arise from within, from hoped-for and experienced emotions, before intellectual reductions. And that feeling seems to inform his drawings with spontaneity.

But it is not only the 'gift' that informs Cavazzano's art. One always reads commitment, morality towards his collaborators and the reader and a perseverance to do more to make himself readable, to improve.

A quest, his, which, thanks to the continuity with which it has developed, is in the end almost imperceptible, even though it is the foundation of the fame and recognisability that are his own.

It is from these assumptions that his style is born, in the conviction that despite imitations it will remain unique and unattainable. Fortunately! (Roberto Franco for ARTEFUMETTO)

Giorgio Cavazzano has the merit of being considered one of the best illustrators in the world and we, as a company, can boast of his friendship, which has led to the creation of two exclusive lines born from his unparalleled mastery, enriching our catalogue by undeniably giving it an ironic, inimitable, incredible, incomparable extra touch, as always in the iTotal and iDrink style!
