“Kracie” Kampo

Yokuinogen White Tablets (208 tablets)

Traditional Japanese herbal medicine that improves blemishes and skin roughness from the inside.

Ingredients

The adult daily dose of 8 tablets (342mg/tablets) contains:

Powdered extract of Keishi-bukuryo-gan ryoka yokuinin · · · 1,800mg

[Extracted from 2.0g each of cassia bark, poria mushroom, moutan bark, peach kernels, and peonies, and 5.0g of coix seeds.]

Contains silicon dioxide, croscarmellose sodium, cellulose, magnesium stearate, hypromellose, titanium oxide, and carnauba wax as excipients.

Therapeutic effect

Effective for the following medical conditions experienced by people whose physical strength is comparatively good but sometimes suffer from abdominal pain, stiff shoulders, heaviness of the head, dizziness, hot flashes with chills, etc.: Acne, skin blemishes, roughness on the hands and feet (eczema, dermatitis), irregular menstruation, hormonal imbalance

Note: Hormonal imbalance refers to the physical and neuropsychiatric symptoms, such as anxiety and irritation, that are caused by hormonal changes in women during the monthly cycle, pregnancy, childbirth, postpartum, menopause, etc.

Dosage and administration

Take the following amount two times a day before or between meals with water or hot water.

Adult (15 years or older) - 4 tablets/dose

7 to 14 years old - 3 of the tablets/dose

5 to 6 years old - 2 of the tablets/dose

Less than 5 years old - Do not use.
