

## USER MANUAL

# MEGA POWER STATION

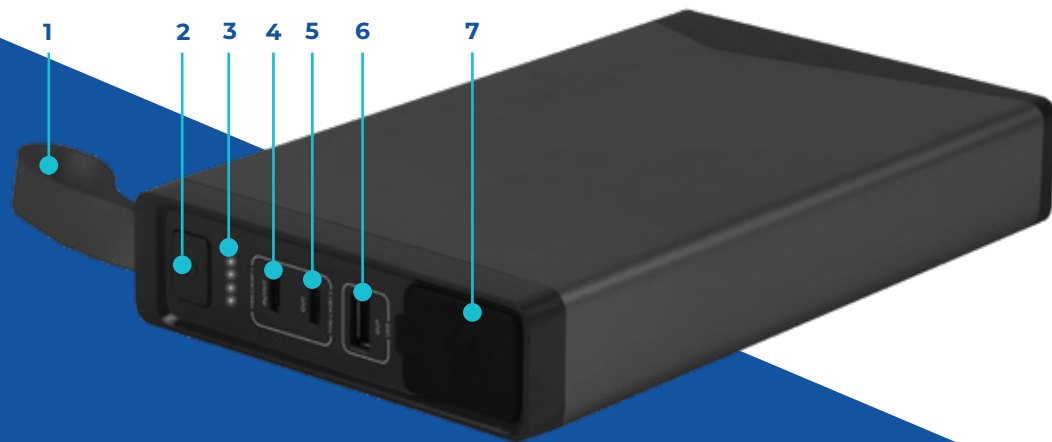

## WHAT'S INCLUDED

- (1) Mega Power Station
- (1) 40" Type-C Charging Cable
- (1) Microfiber Storage Pouch

## FEATURES

- 100Wh Battery
- AC Outlet
- USB and Type-C Ports

## COMPONENTS

1. Carrying Strap
2. Power Button
3. Battery Level Indicator
4. Type-C Port 1
5. Type-C Port 2
6. USB Port
7. AC Outlet

## PRODUCT SETUP

### GETTING STARTED

The Mega Power Station will arrive with a partial charge. It is recommended to charge the battery to 100% upon arrival. It's recommended to recharge every 90 days to keep the battery fresh and at full capacity at time of need.

### POWER ON/OFF

The Mega Power Station powers on and off automatically when cables are connected and disconnected.

Manual Power On/Off: Press the Power Button once to turn on the Power Station. The Battery Level Indicator lights will illuminate, indicating the unit is powered on. Press the Power Button twice to turn off the Power Station.

### RECHARGING THE UNIT

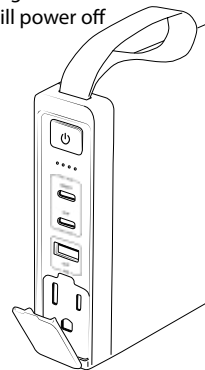

1. Using included Type-C Charging Cable, connect to the unit via the Type-C Port 1.
2. Connect the other end of the charging cable to any USB power source (i.e. wall adapter, computer USB port, car charger, etc. – not included).

## CHARGING

### CHARGING DEVICES

The Mega Power Station is able to charge multiple devices simultaneously.

- USB Charging Port
  - Type-C Charging Port
1. Connect device to the unit to one of the ports using a compatible charging cable. The device will automatically begin charging.
  2. Once device is fully charged, unplug the charging cable and the unit will power off automatically.
- AC Outlet
1. Press and hold the Power Button for 3 seconds to enable AC charging mode. (This mode is indicated by the first Battery Level Indicator light illuminating red.)
  2. Connect device to the unit using a compatible charging cable. The device will begin to charge.
  3. Once device is fully charged, unplug the charging cable and the unit will power off automatically. The battery indicator level lights will go off automatically in  $\pm 30$  seconds, or press the Power Button twice to turn off the Power Station.
