

HOW TO USE YOUR Back 'n Belly[®]

contoured body pillow

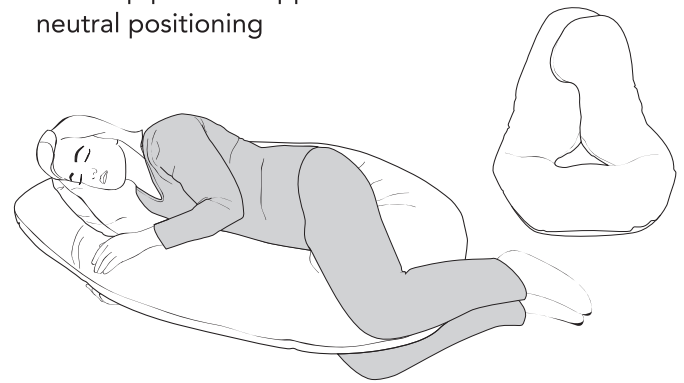

BACK 'N BELLY

- Equally supports back and belly at the same time
- Can help provide support for neutral positioning
- Turn from side to side without repositioning

WHAT GOES AROUND...COMES AROUND

- Extra cushiony full body support
- Can help provide support for neutral positioning

HEADS UP

- Can cushion and elevate upper back, shoulders, and neck
- Read or watch TV in bed
- Cushions and cradles lower body
