SHANGIES BY STILOV

Shangies by Stilov is a Danish brand founded by Maria Stilov with a clear desire to create beautiful timeless pieces for the whole family, using high quality, durable and comfortable materials.

Shangies sandals are designed from this desire and to fit your feet perfectly. The sandals are versatile, stylish and ideal for outdoor as well as indoor use. The soft straps are available in a wide selection of colours to match any outfit and occasion.

It has been fascinating for me to create a brand that has been so well received, not only in Denmark, but with retailers all around the world. Today, we deliver to selected retailers in more than 20 countries.

I hope you share our love for Shangies.

SHANGIES BENEFITS

What's your favourite thing about Shangies?

The soft straps ensure that the sandals sit great on your feet whether you sit, stand or walk a lot throughout the day.

Shangies are made with breathable jute soles while the outer sole is made from reusable EVA - a durable and light material which provides great suspension to prevent sore feet.

WASHING INSTRUCTIONS

With frequent use, your Shangies will inevitably need to be washed – and that can be done quickly and easily by following these simple steps:

Step 1

Fill a basin with warm water and a bit of washing powder or soap.

Step 2

Put your Shangies into the water and let them soak for at least 10 minutes.

Step 3

Gently rub any stains with your hands.

Step 4

Rinse with clean water.

Step 5

Let the Shangies dry - out of direct sunlight.

Step 6

Off you go in your lovely clean Shangies.
