FEATURES

SMRT Wireless and Wired Scene Wall Switches are powered by our powerful Blue-took Mesh Network, and can be set up in seconds on our free iOS or Android Blue-tooth App. We also offer on-site set up, or remote set up as well.

SMRT Scene Switches allow you to create the environment that you want, with 3 or 4 scenes on the physical wall switch and unlimited scenes on the App based virtual wall switches, without the high cost or confusion of touch screens.
