# Express Ink Pins

Developed using a proprietary process, our Express Ink lapel pins offer customers a high quality pin printed in our Vermont production facility and delivered in just days, rather than the weeks-long timeline for traditional lapel pins. Select one of our in-stock size and shapes as your template, either a circle or rectangle. Your design is then printed directly onto the metal or hard enamel base resulting in a full color representation of your design.

Your design into a pin with production times as short as ONE DAY!\*

3 shapes- each available in either  
 Polished Gold Plate  
 Polished Nickel Plate  
 or White Hard Enamel

\* Standard production time is 5 business days. Call for more information about rush orders.

# Coins and Medals

Custom designed coins and medals are a great way to commemorate an event or acknowledge an achievement. Custom designed coins can also be used as award medallions for contests and other competitive events.

Medals are not only worn on the day of the event, but are also taken home to be displayed indefinitely as a cherished piece of memorabilia from the event. Looking for something a little more low-key? We make dogtags in a variety of treatments including enamel and full color.

With lots of finishes, treatments and ribbon choices, we can make a coin or medal that is unique to your organization or event.
