

Distinction

Distinction D6315 with NG Flame
(shown with speckled stones and driftwood)

MONTIGO[®]
the art of **fireplaces**

The perfect combination of performance and design

A contemporary fireplace overtaking your entire
range of vision with elegance and style

Customization

From the heat distribution kit all the way to the Invisimesh screen, the Distinction series offers endless options to tailor your fireplace to your space.

Our Guarantee

Rest assured our uncompromising quality and long-term reliability is backed by our limited 10-year warranty.

Versatility

The Distinction adds tranquility and warmth to your home. Your desired media can completely cover the bed of the firebox, enhancing the ambience even when the fireplace is not in use.

Distinction D7215ST with NG Flame
(shown with standard Star Ice fireglass)

D Series with NG flame
(shown with standard Star Ice fireglass)

Distinction D Series

The Distinction offers a wide scope of luxury with ample viewing area while maintaining a 18½” framing depth. You won’t have to sit close to the Distinction to feel the heat, as it features standard circulating fans to warm any space. You can enjoy a more gentle flame and heat with the 30% turndown, and a 50% turndown for the D63. The unit also comes standard with reflective ceramic glass liners, multi color LED uplighting, ceramic glass and a full function remote.

DL Series with NG flame
(shown with standard Star Ice fireglass)

Distinction DL Series

A simplified version of the D Series, the DL Series has the same proportions to add personality to any space. The DL ambitiously features a concealed linear burner and a non intrusive invisimesh screen. Any options that are standard to the fully loaded D Series can be added to the DL, giving you complete freedom to customize and match to your space.

Distinction D3615 with NG Flame
(shown with speckled stones and driftwood)

Distinction Cool Wall Advantage

*Elegance & heat,
exactly where you want it.*

*Diverting heat away from the wall,
keeping your tv or artwork safe.*

190°F / 87°C Heat Vent

Heat is diverted through the Cool Wall Advantage kit, safely bypassing the space above the fireplace.

100°F / 38°C Cool Wall*

Wall temperature is cool, creating an area safer for mounting a TV, or hanging artwork.

550°F / 287°C Glass

Reduced glass temperature, combined with the provided screen creates a safe viewing area.

* 100°F / 38°C temperature taken at 30" above fireplace opening

Distinction D-Series Standard Features:

- Full load Proflame 2 control system and full function remote control
- Montigo 4th generation linear concealed burner
- 30% turn down gas valve with stepper motor, 50% turn down for D6315
- Neoceram high temperature glass door with flush safety screen
- Field convertible to propane with optional conversion kit
- Quiet circulating fans with remote speed adjustment
- Ceramic glass reflective liner kit
- Multicolor LED uplighting with remote control
- Star Ice fireglass burner media

Distinction D-Series Options:

- Cool Wall Advantage Kit

Distinction DL6315 Standard Features:

- Basic Proflame2 Control System with 14' wall switch wire
- Montigo 4th generation linear concealed burner
- Single stage gas valve
- Neoceram high temperature glass door with flush safety screen
- Field convertible to propane with optional conversion kit
- Star Ice fireglass burner media

Distinction DL6315 Options:

- 30% turn down valve with stepper motor
- Full function remote control
- Ceramic glass reflective liner kit
- Multicolor LED uplighting with remote control
- Cool Wall Advantage Kit
