## Memory Box

Instruction Manual: Memory Box for Perfume

Congratulations on your purchase of the Memory Box for your new Perfume!

Make your loved ones day special with Aroma360's Memory Box for Perfume — the perfect gift for yourself or your loved ones. Personalized with videos and your favorite perfume scents, creating an immersive and unforgettable fragrance experience. Upload your video and watch their face glow as they experience your personalized video and they can replay it at any time. Whether you're treating yourself or surprising a family friend, the Memory Box enhances the connection between scent and sight by allowing them to remember you with every spray of perfume; a cherished memory to be treasured.

Please read the following instructions carefully to ensure optimal use of your Memory Box.

Box Contents:

- USB Charger/Connector
- Built-in display screen & speaker

Usage Instructions:

- Step 1: Open your memory box by gently lifting the black tab up to reveal the inner compartment.
- Step 2: Connect your USB Charger/Connector to your computer to upload a personalized video.
- Step 3: Find the drive called "Untitled"; then delete the previous video file.
- Step 4: Upload your desired video file in .mov or .mp4 format. Note: only videos can be uploaded; does not support images
- Step 5: Once your video is uploaded, safely eject the Memory Box from your computer and disconnect the USB Charger/Connector.
- Step 6: Remove your perfume from the original sealed package and place it into the memory box.
- Step 7: Gift it to a loved one. 😊
- 
- To activate the video playback, simply open the Memory Box. Your uploaded video(s) will start playing on the built-in display screen.
- 
- Enjoy the immersive experience of combining fragrance with personalized videos as your perfume is safely stored in the Memory Box.

### Unique ways to use Memory Box:

- **Messages of Love:** Surprise a loved one by recording a heartfelt message or a love note video that plays when they open the Memory Box. It's a romantic gesture that combines the power of scent with a personal message.
- **Personalized Gift Messages:** If you're gifting the Memory Box to someone special, upload personalized video messages that express your love, appreciation, or well-wishes. It adds a thoughtful and personalized touch to the gift.
- **Self-Care Reminders:** Record videos with self-care reminders, affirmations, or mindfulness exercises that you can watch while using your perfume. It creates a calming and mindful experience, enhancing your overall well-being.
- **Capture Special Memories:** Create personalized videos of memorable moments or occasions, such as weddings, birthdays, or vacations, and associate them with specific perfumes. Every time you use that particular perfume, it will evoke those cherished memories.

### Compatibility:

The Memory Box supports .mov and .mp4 video file formats. Please ensure that your videos are in one of these formats for proper playback.

### Video Size:

- Size cannot exceed 1GB

### Charging:

To charge your Memory Box, connect the provided USB Charger/Connector to the charging port located on the side lid. Connect the other end to a USB power source such as a computer, USB wall adapter, or power bank. The LED indicator on the box will illuminate during the charging process and turn off once fully charged.

### Cleaning and Maintenance:

- To clean the Memory Box, use a soft, lint-free cloth to gently wipe the exterior surface. Do not use abrasive or harsh cleaning agents.
- Keep the Memory Box away from water and extreme temperatures to avoid damage.

We hope you and your loved ones enjoy using Aroma360's Perfume & Body Memory Box for your personalized Perfume experience.
