Product Description

The Peerless Black 17000 has all the same benefits of the PB14000 however we have equipped it with a larger 3HP - 15AMP motor in order to get the most out of the Alloy side by side pump.

Offering 280 LPM of free air delivery this is a great light industrial unit if you have 15 AMP power available to use.

Being a light industrial compressor this range is purpose built for;

- Building / Construction Trade
- Home renovator / DIYer
- Entry level compressor
