

Peerless Black 2000 Oil-Less 65 LPM - Free Air Delivery

Features & Benefits

- Oil-Less Design
- Low maintenance required
- Extremely low operating noise
- Regulated air outlet
- Strong metal encased air filter
- Suitable for low voltage situations
- Heat protector covers
- Lightweight & Portable
- Ease of use tank drain
- Certified & registered Pressure Vessel to AS1210
- Manufacturer Data Report available
- Compressed air to AS4637-2006 standard (Free Air Delivery)
- Sturdy Rubber Feet
- Heavy Duty teflon technology

16KG

PUMP UP TIME TO 100PSI:
0.40 - 0.45 MIN

470MM X 390MM X 405MM

SUITED FOR LOW VOLTAGE
APPLICATIONS

WARRANTY
1 YEAR TOTAL UNIT

Product Description

This super light weight and super quiet Air Compressor is the ultimate builders' choice when wanting a framing Air Compressor. Producing 65 Litres Per Minute of Free Air Delivery this can be used for intermittent air tools and not continuous use. The PB2000 does what it is designed for exceptionally well however in cases where more air is needed such as coil nailer we recommend stepping up to a belt driven PB14000.

This model has Heavy Duty Teflon technology (Made in USA) fitted to get the maximum use and performance from the Air Compressor. On average 2000+ hours before requiring a service.

Peerless Black 2000 Tubie Oil-Less 65 LPM - Free Air Delivery

The Peerless Black 2000 Oil-less Tubie is designed with the frame as its air receiver. This cuts makes it a compact, little unit while still delivery 65LPM free air delivery. The smaller air receiver also allows for a quicker recovery time which is great for when you are wanting to use a nail gun and not wait for a large receiver to fill first.

We have fitted this model with a water trap filter regulator and also a straight tank outlet. The water trap will catch some moisture and also clean the air with its copper filtration element, ensuring your nail guns stay in great shape!

PUMP UP TIME TO 100PSI:

-

420MM X 370MM X 440MM

23KG

Peerless Black 2000 XL Oil-Less 65 LPM - Free Air Delivery

Built tough and built for the trade, it's hard to look past the PB2000XL! We have fitted our popular 1.1HP oil-less pump / motor to a 24L tank and added some great features.

Who can remember to drain their tank at the end of each day? With the fitted electronic auto drain you can set and forget. This will remove bulk condensate from inside the tank and is fully adjustable. To further remove moisture we have added a water trap filter regulator.

PUMP UP TIME TO 100PSI:

1.45 - 1.55 MIN
(DEPENDANT ON ELEC AUTO DRAIN)

630MM X 310MM X 570MM

2HP Models Available P013 Oil-less 175LPM

Air Tools
