

TRIGGR Volt V1 Plus

USER MANUAL

PRODUCT OVERVIEW

TRIGGR Volt V1 Plus is a high-capacity 20000 mAh 22.5 Watt QC + PD power bank that uses Li-polymer and chip for a safe, efficient, and compatible user experience.

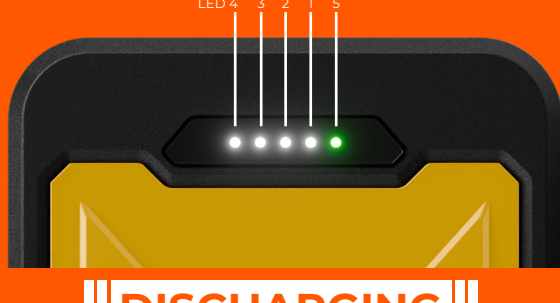

Safety: The power bank has multiple safeguard technologies to provide over-charge, over-voltage, high temperature, and short circuit protection in all working conditions.

Efficiency: Supports Quick Charge (QC) and Power Delivery (PD) with speed up to 22.5 Watts. It is also capable of dual charging with up to 3.1 Amp SV charging speed when connected with two devices.

CHARGING

Connect with a compatible power adapter to charge the power bank. The indicator shows charging conditions as follows:

Blinking	LED 1	LED 2	LED 3	LED 4	LED 5
Power	0-25%	25-50%	50-75%	75-100%	Power Delivery

DISCHARGING

Connect your device with the power bank to charge it. The indicator shows discharging conditions as follows:

Blinking	LED 1	LED 2	LED 3	LED 4	LED 5
Power	0-25%	25-50%	50-75%	75-100%	Power Delivery

TECHNICAL SPECIFICATIONS

Capacity	20000 mAh
Type-C Input	5V/2.4A, 9V/2A (18W MAX)
Type-C Output	5V/3A, 9V/2.22A, 12V/1.67A (20W MAX)
Type-A Output	5V/3A, 9V/2A, 10V/2.25A, 12V/1.5 A (22.5W MAX)
Dual Charging	5V/3.1A (Max)
Charging Time	7 Hours (18W), 11 Hours (10W)
Size	100*70*32mm
Weight	315g
Battery Type	Li-Polymer

PRECAUTION

Make sure your power bank is fully charged on its first use.
When charging a device with the power bank, make sure your device displays the battery charging icon and the power bank is working properly.
Disconnect the power bank to avoid further discharge once your device is fully charged.

Do not open the casing to avoid cell damage or other dangers.

Do not dismantle, crush, puncture and short circuit the power bank, or expose it to liquids, fire or environments where the temperature is above 60°C (140°F).

To protect the environment, please dispose of the used product according to the local environmental regulations. Please do not discard with household waste.

LIMITED WARRANTY

This product warranty extends to the original consumer of the product. Neither the retailer nor any other company involved in the sale or promotion of this product is a co-warrantor.

WARRANTY DURATION: All the materials and workmanship are warranted to the original consumer for a period of twelve(12) months from the original purchase date.

WARRANTY COVERAGE: This product is warranted against defective materials or workmanship. This warranty is void if the product has been damaged by accident, in shipment, unreasonable use, misuse, neglect, improper service, commercial use, repairs by unauthorized personnel or other causes not arising out of the defects in material or workmanship. This warranty is effective only if the product is purchased and operated in India, and does not extend to any units which have been used in violation of written instructions furnished by manufacturer or to units which have been altered or modified or, to damaged products or parts thereof which have had the serial number removed, altered, defaced or rendered illegible.

WARRANTY DISCLAIMERS: This warranty is in lieu of all warranties expressed or implied and no representative or person is authorized to assume for manufacturer any other liability in connection with sale of our products.

WARRANTY PERFORMANCE: During the above twelve(12) months warranty period, a product with defect will be either repaired or replaced with a reconditioned comparable model (at the manufacturer's discretion). The repaired or replacement product will be in warranty for the balance of the warranty period or thirty (30) days which ever is longer.

WARRANTY LIMIT: The maximum liability of the company shall not exceed the actual purchase price paid by the purchaser.

SERVICE AND REPAIR: If the service is required for the product, the purchaser should contact Creovaive Ventures Pvt Ltd customer service at care@gettriggr.com or by calling/whatsapp +91 88513 40679.
