## **FIRM FOAM | Grade : 38-200**

Firm foam provides a firm stable base giving increased support and excellent recovery, maintaining its shape for years. We will provide firm foam covered in a TETRON WRAP which rounds off the corners and creates a plump look achieving a more luxurious finish.

## **FIRM FOAM | Grade : 35-160**

Medium Foam is a perfect filling for Window & Bench Seats. It's best suited to seats and offers a medium feel and good support but still has enough give to slightly sink into. Our medium foam inserts can be cut to any size to slot straight into existing cushion covers and will be supplied covered in a Tetron Wrap to create a luxurious plump finish.

## **MEDIUM FOAM | Grade : 35-130**

Soft Foam is suitable for all indoor and outdoor back cushions. Providing a more defined shape than loose fillings, soft foam offers minimal maintenance and excellent recovery whilst still being soft and supportive. A perfect combination when combined with foam seats and which will be supplied covered in a Tetron Wrap to create a luxurious plump finish.

## **QuickDry Foam (OUTDOOR) | Grade : RE-29-170**

Medium QuickDryFoam® is specifically formulated for outdoor furniture and marine applications. QuickDryFoam has large open pores which permit maximum water drainage and air circulation allowing it to dry quickly after being wet. In-built antimicrobial protection prohibits the growth of mould and fungus inside outdoor cushions even when left outdoors for long periods.

## **QuickDry LOOSE CHIP (OUTDOOR) | Grade : RE-29-130**

The QuickDry LOOSE CHIP Foam is the RE-29-170 chipped up to be used for back cushions for the comfortable plush finish and feel.

## **FEATHER FILL**

Featherfill is 100% feather, the ultimate in luxury and comfort.

## **ERGOFILL**

Ergofill is a revolutionary seat and back cushion fill utilising specially cut foam mixed 50/50 with siliconised polyester fibre to give a feather and down look and feel, but with a much higher level of resilience and comfort. Ergofill is guaranteed for five years in domestic furniture.
