

SOFABED INSTRUCTIONS

HOW IT WORKS - SOFA TO BED

To convert your sofa into a sofa bed please follow the steps included here. Should these steps not be followed, and the sofa bed action is forced in the wrong direction it may become bent and inoperable.

Please note that we include with your purchase a 12-month manufacturing guarantee. This guarantee does not include damage caused by the incorrect use of the sofa bed action.

STEP 1

- Remove the seat and back cushions from the sofa bed.

STEP 2

- Fold out the black fabric cover.
- Pull up the sofa bed action using the bar nearest to the front of the sofa bed using the metal handle.

DO NOT PULL THE SOFA BED ACTION OUT WITH THE REAR BAR

STEP 3

- Pull the sofa bed action towards you gently until it sits horizontally.
- Pull up the foot bar from the rear of the sofabed action as shown.

STEP 4

- Continue to pull the foot bar towards you until it sits on the floor.
- The sofa bed is now half open.

STEP 5

- Pull the second footbar up and towards you.

STEP 6

- Continue to pull the second foot bar towards you until it sits on the floor.
- The sofa bed is now ready to use

STEP 7

- For sofa beds with back cushions these can be slotted between the back of the sofa and the sleep area to create a headboard.
- Seat cushions can be stored under the sofabed
