

# SUPPLYING YOUR OWN FABRIC

---

Creative  
Upholstery

## **CAN I SUPPLY MY OWN FABRIC?**

If you are wanting to supply your own fabric, feel free!  
Just please ensure it is not old fabric, such as rugs, curtains etc. as the factory will only accept new fabric, preferably on a fabric roll. We would not be able to accept the return of any sofa bed that we manufactured in a customer's own fabric as this is a bespoke product.

## **HOW MUCH FABRIC SHOULD I ORDER?**

Please get in touch with the team at Creative Upholstery and they will calculate how much fabric you will need for your order.

## **WHERE SHOULD I SEND/DELIVER THE FABRIC?**

If you are delivering or couriating, please print this page and cut off the bottom half, fill in the remaining details, and attach to the package before arranging delivery to the factory.
