Remedies of Lal Kitab

How and when the remedies described in the Lal Kitab should be performed?

1. Remedies should be performed during the day--in between sunrise to sunset. They might cause evil effects if performed in night. Only for the lunar eclipse, they might be performed in night.
2. No certain day such as Monday or Tuesday etc. Sankranti, Amavasya or Poornima is considered to start the remedies.
3. Any of your blood relations as brother, sister, parents, grandfather, grandmother, son or daughter etc. can perform the remedies. This will be fruitful.
4. A remedy a day is advised. Crossing one mark will not be fruitful and even the things done earlier may fall flat.
5. Pay special attention to the restraints advised, i.e. you should not consume meat, fish and liquor. Keep your conduct firm. Don't speak lies; don't take or feed leftover food and don't keep your intention mala fide. For a man, it is advised not to establish relations with another man's wife and likewise a woman should not establish relations with a person other than her husband.
6. A remedy should be performed up to the point of time it is fixed for.
7. If you have to stop performing the remedies for some unavoidable reason, wash some rice grains with milk and keep them with you tied in a piece of white cloth a day before you stop performing the same. Offer the grains to a place of worship or drop the same into flowing water or in a garden if you restart. If done so, the remedies will be supposed to be complete and will yield good results in all respects.
8. A remedy has to be performed for 43 days or 43 weeks or 43 months or 43 years. If it is discontinued even on 39th day, all the things done earlier will prove to be futile or you may not get good results.
9. Make it a point to perform the remedies, according to your Varshakundali to weaken the malignity of the inauspicious planets in your horoscope, within 40 to 43 days from your birthday.
10. Don't break ancestral customs and abide by the Sanskaras.

Manglik Vichar

In the boy or the girl's horoscope when Mars is in ascendant, fourth house, seventh house, eighth house or twelfth house then it is called Manglik dosh.

लग्ने व्यये च पाताले जामित्रे चाष्टमे कुजे ।
स्त्री भर्तुर्विनाशंच भर्ता च स्त्री विनाशनम् ।।

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with Moon in ascendant. If according to the Shastras the Manglik dosh of both the boy and the girl is getting cancelled then they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled then they are likely to face unnecessary problems and hurdles in life. So one must begin his/her married life after getting their horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled the native shall be bestowed with a peaceful and wealthy life.

In your horoscope Mars is placed in the second house which represents voice and family. So with Mars' effect there will be disputes within the family at times. This is why in South India it is known as Kuja Dosh. Due to its effect you will have an impressive voice and the people around you will be impressed with you. This position is excellent for financial gains. You will earn a lot of money and luxuries with hard work. Your family members will be satisfied with you.

Mars' placed in the second house is aspecting the fifth house which indicates that you will be blessed with sons. They will fully cooperate with you. But the birth of your children may be delayed. You will be able to attain high education. Mars' aspect over eighth house indicates that you may suffer from diseases caused due to bile or excessive heat but it will not harm you in a big way. Most of your important works will be completed this year. Mars' aspect over ninth house shows that you will get success by virtue of your hard work and efforts. You will have more faith in karma than in destiny.

With the effect of Mars' aspect over second house you will enjoy a happy family life. You will look after your family members very well. They will also extend full support and cooperation to you. To make your life happier you must marry a non-Manglik girl. In this case you will lead a happily married life.

Personality Analysis

The configuration of Pisces Ascendant (Lagna) rising with Sagittarius Navamsa and Cancer Dreskana in the first Pad of Revati at the time of your birth is so propitious that it not only promises very many worldly benefits, including wealth, to the native, it also elevates one to a high spiritual plane.

Pisces, you should know is also known as the sign of "Moksha" or salvation. As you are a decent, honest person, with a religious bent of mind, eager to render service to saints, you can develop a sense of detachment towards earthly affairs. Think about it. This, of course, is not going to be too easy in your case because Pisces being a dual sign, there are two sides to your character. On the one hand you evince interest in religion and philosophy, while on the other you desire pleasure from sex. Hence, you will have to make up your mind as to which of the two you would abandon. Mixing them will be neither here nor there.

Throwing out of your mind your over eagerness for sex will also help you in your domestic life, as you will be fortunate to have a good spouse and issues who will provide you with a happy home. It would be in the fitness of things for you to contribute your share for maintaining a harmonious family atmosphere.

Some of your plus points are : You are quick on the uptake, an interesting conversationalist, good-natured and affectionate. If you can, you would like to help others; but if you can't, then you would prefer to stay quiet, but under no circumstances would you want to harm them. This endears you to people in general.

Since you don't relish the thought of having to depend upon your children in your old age, you are eager to earn as much as possible during your active years and store away a portion of your income for use later. This you can achieve, as you have a good business acumen and more often than not luck is in your side.

Your, otherwise, splendid birth chart shows three black spots. The patches are to be found in your 17th, 21st and 24th years which will not be very favourable. It would be advisable to proceed with caution during those years.

Another aspect on which you will have to be careful is about your friends. Some, who pose as your thick friends, may prove to be unreliable. So select your pals after deep thought and a study of their antecedents.

You will have a rosy time if you opt for rose, red, orange and yellow colours.

Keep off blue. The numbers which favour you are 1, 3, 4 and 9. Number 8 is definitely bad.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.

All these call for careful handling, if you want to lead a normal, peaceful life.

Physique, Health & Nature

Persons born under the Pisces sign are generally of average height, sporting a plump body with rather short limbs. Their fleshy face shows a wide mouth, protruding eyes and soft hair.

Pisceans will invariably be addicted to liquor, because of which they will be prone to suffer from gastric troubles, varicose veins and guineaworms, in addition to affliction of bile and feet. If they don't adopt a sober approach, they may invite tuberculosis and tumours.

God-fearing, it is in their nature to resist any opposition to orthodoxy. Highly superstitious, they are sticklers in observing religious rites and festivals. Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toeing a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. The lessons to be learned in all these is to see that you weigh the pros and cons of issues in their proper perspective and then act in a decisive manner.

Kind Of Horoscope

Horoscope having blind planets

As per Lal Kitab, the planets that are blind during nights are also called NAHORATRA planets. These planets can see during daytime only but become blind during nights.
